Good afternoon everyone, and welcome to The Elmbridge Xcel Sports Hub for today's Combined Counties League, Division One fixture.

We extend a particularly warm welcome to all the players, officials and supporters of our visitors Epsom & Ewell FC, and of course to today's three match officials.

We last played today's visitors in the 2017-18 season, at the end of which they were relegated.

After winning the away fixture 2-1, we completed the double here with a 4-0 victory.

'A game of two halves' is a well-worn cliché, but no-one who was a witness to our last home match could dispute it being applied to our win over Ash United.

After the visitors had been gifted a goal with less than a minute on the watch, we continued to offer them more opportunities in the first-half, at the same time spurning several chances we had created for ourselves.

But having finally equalised straight after the resumption with a goal scored in even quicker time than our opponents' opener, we proceeded to find the net four more times, a figure that could well have been added to by the final whistle.

The afternoon had not started well, with all three of our registered goalkeepers being unavailable.

This meant central defender Sam Marfo, who had been forced to take over the keeper's jersey for almost half the match a week previously when Logan Cullen had been sent-off against Farnham Town, doing so again, this time for the whole game, and he again did a highly competent job between the sticks.

His second spell in goal could hardly have got off to a worse possible start however, as he was beaten almost straight from the kick-off, and despite chances falling to both sides we went into the break still 1-0 down.

Whatever was said in our half-time team talk seemed to have the desired effect, as straight from the restart Parish Muirhead scored with a terrific shot to equalise.

Continuous pressure on the away goal finally paid off again midway through the second-half with a superb second goal that gave us the lead, Anderson Pinto-Nogueira rifling a low, left-foot shot in from 30 yards.

The three points were virtually secured with ten minutes of normal-time remaining when Hamzah Williams headed in from a free-kick, and we made it 4-1 with three minutes left.

A twice-taken penalty by Seb Osei-Obeng was saved, but he followed up to score.

Tyreke Leslie then scored his almost customary goal in stoppage-time to make it 5-1.

Walton & Hersham Football Club  
does not accept liability for any  
accidents to spectators either on  
the football ground or its precincts.  
Children must not sit on, or in  
front of, the barriers  
surrounding the pitch; spectators  
are asked to help the Club by  
ensuring that everyone remains  
behind the barriers as serious  
injury, for which the Club cannot be  
held responsible, could occur. The  
floodlight pylons  
are dangerous, due to the high  
voltage used, accidents can be  
caused by attempting to climb  
them. Would spectators  
please assist us by not allowing  
any person to indulge in this  
dangerous practice and if seen,  
please inform a club official.

We came as close as anyone has this season to puncturing Jersey Bulls' 100% record on our visit to them, but a goal scored with just twelve minutes of normal-time remaining ended our hopes.

Those hopes had been temporarily raised late in the first-half when we thought we had taken the lead, but the 'goal' was controversially ruled out.

An attempt to kick clear by the Jersey keeper was blocked by Parish Muirhead, and he was able to roll the ball into an empty net.

The referee saw nothing untoward and awarded the goal, but after discussion with his assistant changed his mind, apparently for handball by Parish.

There can be no argument that the home side had several good chances before they finally went ahead, but great credit must be given to a Swans' side that stuck to a game-plan and stayed well-organised throughout with a battling display.

A surprising element of the game was that the new sin-bin rule, that seems to have been rarely put into practice this season, was enforced no fewer than four times in the match, with both side having two players receiving ten-minute temporary dismissals.

A much-changed Swans' team played against Carshalton Athletic U23s in the Surrey Premier Cup as the opportunity was taken to give match-time to players and senior experience to some of the club's U18 squad.

They faced a talented looking Robins' development side that took advantage of coming up against a team lacking the experience of playing together, and we conceded all three goals before the break.

Three goals up before the half hour, and four at the break, we proved far too good for British Airways last Saturday, and that half-time score could well have been at least doubled had we totally capitalised on our dominance.

Although chances did not come quite as freely in the second-half, there were enough to add to the score-line before two late goals did so.

Goalkeeper Ibrahim Ugradar, signed on dual-registration from Corinthian-Casuals, made his debut, but there was little opportunity to judge his talents as his goal was rarely threatened all afternoon.

We had already had several chances before Simeon Dennis gave us the lead on seven minutes, and Miguel Lopes de Matos made it 2-0 after a quarter of an hour.

The home defence had had no answer to Tyreke Leslie's darting right-side runs, and he weighed in with two goals before the break.

We had to wait until five minutes from the end of normal-time before Seb Osei-Obengo drilled home a free-kick to make it 5-0, and in stoppage-time Anderson Pinto-Nogueira deservedly capped a fine personal performance by heading home our sixth goal.

Next Saturday we travel to Ash United, before retuning here the following Tuesday evening, the 12th of November, when we host Sandhurst Town, KO 7.45 pm.

We hope everyone enjoys this afternoon's match and has a safe journey home afterwards.

# Epsom & Ewell FC Club History

We were founded in March 1918 as Epsom Juniors Cricket Club and played throughout the summer. In the autumn, Epsom Juniors F.C. came into being and played a handful of games from what is now known as Alexandra Recreation Ground. Competitive football followed as we entered the Surrey Junior League in 1919, and became founder members of the Sutton & District League in 1920.

A change of name in July 1922 to Epsom Town F.C. heralded the start of a very successful era. By now resident at the Horton Hospital Sports Ground, we were unfortunate to lose 2-1 after extra time at Dorking F.C.'s Pixham Lane ground to Caterham Mental Hospital in a replay of the Surrey Junior Cup Final. However, we won three other trophies that season, the Leatherhead Hospital Shield, the Sutton Hospital Cup, and the Epsom Hospital Cup. In addition, we also won the Sutton & District League, and under the forward thinking of their visionary Chairman Hugh Bradley, took the step into Intermediate Football, where we won the Southern Suburban League without losing a match. Senior football was granted as we were unanimously accepted into the Surrey Senior League for 1924/25, where we finished third.

In September 1925, the club relocated to the old Ewell F.C. ground at West Street, which was purchased through the generosity of our future President Robert Bradshaw. In 1925/26 the Championship of the Surrey Senior League was attained, and the following season, we defeated Egham 1-0 at Egham in the League Charity Cup to complete a League and Cup "double".

Election to the London League followed, and the title was claimed in the first attempt in 1927/28. Unfortunately, we were unable to repeat this, instead finishing runners-up in 1931/32, 1932/33, 1934/35, 1936/37 and 1937/38. Cup Honours were limited, although in 1929 Redhill defeated us 3-2 in front of 4,600 at Guildford in our first Surrey Senior Cup Final, having seen off Wimbledon 4-1 in the semi-final!

The thirties were a very successful era, and we won the Surrey Charity (Senior) Shield in 1933 with an impressive 5-0 win over Woking at Kingfield. However, the proudest moment of our pre-war history was an appearance in the First Round Proper of the F.A.Cup in 1933/34. Woking (after a replay), Nunhead, Tooting & Mitcham, Beddington Corner, and Leytonstone were defeated, and a crowd of 9,485 at the Lea Bridge Speedway Stadium witnessed a 4-2 loss against the hosts Clapton Orient. At the end of that season we changed our name to Epsom F.C.

In 1939 a newly formed team, Epsom Town (no connection to the earlier name) shared the ground with Epsom F.C. However, this arrangement was suspended when war was declared, and we folded for the duration. In the meantime, Club Chairman Charles Pettett threw in his lot with Epsom Town in an attempt to boost morale by keeping the football flag flying. It was successful, as that club competed continuously throughout the war years, winning the Surrey Combination in 1939/40, and reaching the Surrey Senior Cup Final in 1944, losing 3-1 to Tooting & Mitcham, at Sandy Lane. After the war, Epsom F.C. restarted, continuing in the London League and reclaimed West Street. Temporary homes were found for Epsom Town while they competed for a season in the newly created Corinthian League, but disbanded in 1946.

In 1949 we entered the Corinthian League ourselves, where in 1952 we reached the League Memorial Shield Final in 1952, going down 2-1 to Champions Hounslow at Eastbourne after leading at half-time. Things improved further with the signing of the former English Amateur International Pat Lynch from Hendon, finishing third in 1952/53, while in 1954 we reached the Surrey Senior Cup Final for the second time in our history, losing unluckily 2-0 to Corinthian Casuals in front of 6,159 at Selhurst Park. In 1955 we won the Surrey Senior Shield with a 1-0 win over Carshalton Athletic at West Street.

We appointed our first ever Manager, Kingstonian legend Doug Whitehead in 1955 and the Corinthian League double was almost achieved in 1956/57, but two losses in the final week, along with a 2-0 defeat in the Cup Final to Maidenhead United at Dorking ensured that we ended with neither, finishing fourth. However in 1960, we finally raised the Shield with a 2-0 revenge win over Maidenhead at Vale Farm, home of Wembley F.C.

In 1960 we changed our name once again to Epsom & Ewell F.C. This was not because of any merger with Ewell & Stoneleigh as is often quoted, but was an attempt to increase support across the whole of the Borough. In 1963 the Corinthian League merged with the Athenian and Delphian Leagues, and we were placed in Division One of the new structure, but the sixties were full of poor results and we were relegated in 1965.

Despite a string of managers, most notably ex-Leyton Orient winger Jimmy Smith, and Tony Williams, now famous for his creation of the F.A. Yearbooks, our fortunes did not improve significantly and further relegations were avoided in the early seventies by the benefit of re-election. However in 1973, despite "improving" to finish second from bottom, the Athenian League ran out of patience and cut us loose. This was unfortunate timing as we had just cleared all of our debts, and in addition to a virtually new Committee, former Fulham player Pat O'Connell had taken over as Manager.

The Surrey Senior League took us in at the last minute, and the new squad, including young striker Tommy Tuite, won the League Cup, and the following season, 1974/75 achieved a second Surrey Senior League "double". However, the season would always be remembered for reaching the Final of the inaugural F.A. Vase, where 9,500 saw the Blues edged out 2-1 by Hoddesdon Town at Wembley Stadium. The Athenian League welcomed us back, and promotion to the top flight was achieved in that first season. In 1976/77 we reached the Athenian League Cup Final, losing 1-0 at Chalfont St Peter.

By then, we knew that we had been invited to join the expanding Isthmian League for 1977/78, and were placed in the new Division Two. Our first match under floodlights took place against Met Police in August 1977, and the title was clinched the following April, securing a move to Division One. In 1979/80 we won the Southern Combination Cup 7-2 over Hampton on their own pitch, where the opposition were blitzed by five goals from Tuite. The following season a new clubhouse opened at West Street, and we finally won the Surrey Senior Cup, defeating Woking 2-1 at Tooting & Mitcham, although we just missed out on promotion. In 1983/84 we clinched a spot in the Premier Division as runners-up, although this time we missed out in the Surrey Senior Cup Final, defeated 4-0 by Sutton United at Imber Court.

With Adrian Hill as Manager since 1982, we survived comfortably in our first season at the new level, but Hill's departure to Croydon in 1985 started a decline. Much of the squad left with Hill, and new Manager Alan Webb had too much to do. We were relegated in 1986, and following Webb's departure soon after, Player / Manager Ricky Kidd nearly but not quite saved us from our second straight relegation. Adrian Hill replaced Kidd for a second spell at the helm in 1990, but we were placed in the new Division Three in 1991 in league reorganisation following a finish one position below the required half way mark.

In 1993 a large chapter in our history ended as we left West Street and moved in as tenants of Banstead Athletic. The decade was largely one of frustration, although we did reach the Final of the Associate Members Trophy, losing 2-0 to Bedford Town at Hendon's old Claremont Road ground.

In 2002 Adrian Hill took us back up to Division 1 South, where we topped the table for a month, eventually finishing 9th, but Hill's retirement at the end of the season led to relegation a year later and then in 2006 we were transferred into the Combined Counties League Premier Division. In October 2006 Lyndon Buckwell, a former player became our new Manager, and in his first full season (2007/08) we were back in the top ten. In 2008/09 we exceeded this achievement and finished in fourth place after heading the table for a few months. In 2009/10 the club recovered from a slow start to finish fifth and also reached the last 32 of the F.A.Vase for the first time in 21 years, bowing out 3-2 in Northamptonshire to Long Buckby. In April of 2010 we terminated our seventeen-year ground sharing agreement with Banstead Athletic and spent two unspectacular seasons at Merstham F.C. before relocating to High Road, home of Chipstead F.C. for the 2012/13 season.

The season brought significant playing success as a slow start was followed by a spectacular run of form, including a club record 12 straight League wins, which put us at the top of the table for over a month before a tough run in resulted in a final position of fifth. However, any disappointment there was tempered by the club's first silverware since 1981 when we defeated South Park 3-0 at Farnborough to win the Combined Counties League Cup. Lyndon also marked 300 games in charge of the club in early 2013. On a sadder note, 2012/13 also marked one thousand games since we left West Street.

We carried our fine form into 2013/14 and led the league with eight straight wins but couldn't hold on and had to settle for third place, our highest league finish since 1984, but the following season Lyndon Buckwell departed and Glyn Mandeville and new Assistant Matt Smith steered the club to seventh place, despite a substantial budget cut and this improved to fourth place in 2015/16.

In the summer of 2016 our club visited France and played a friendly against our twin town Chantilly, which was where the England team had been based before their Euro 2016 campaign. The players were able to meet Roy Hodgson and Gary Neville and performed admirably as ambassadors for our town.

In 2016/17 we started the season with an incredible 9-2 win at newly promoted Bedfont & Feltham in a match where we had trailed 2-0 at half time and went on to repeat our fourth place finish in the League. In addition, we reached the League Cup Final but were defeated 4-1 by Westfield at Windsor FC.

However, in summer 2017, we suffered a large player exodus with a substantial number joining local rivals Sutton Common Rovers. Glyn was unable to replace them with enough players of real quality and three quarters of the season was spent at the foot of the table. Glyn's resignation in January 2018 led to the club promoting our Coach Neil Grant into the Manager's role and although he managed to get us off the foot of the table, relegation was always likely and was confirmed in mid-April; not a great way to celebrate our Centenary!

The attempts at bouncing straight back did not start particularly well and Grant departed in October. He was replaced by Simon Funnell, who stepped up from his Assistant role and oversaw a good run of results which took us back up to the fringes of the promotion race, before a defeat to Frimley Green derailed our season and we tailed off to finish in eighth position. We had the consolation of reaching the Division One League Cup Final at Meadowbank, home of Dorking Wanderers, but again Frimley Green stood in our way and defeated us by the only goal. We now commence our eighth season at High Road with a clear target of promotion back into the top flight of the Combined Counties League through one of the four promotion spots that are available this year.

Meanwhile, the search continues for a new ground back in the Borough.....

# ***Walton & Hersham F.C. – “The Swans”***

Walton-on-Thames F.C. was formed in 1895, and in 1945, following World War II, amalgamated with Hersham F.C. to form Walton & Hersham F.C., the present club.

The united club immediately joined the newly formed Corinthian League and followed a poor first season with a hat-trick of Championships and a runners-up position.

They also won the Surrey Senior Cup for the first time in 1947-48, beating Isthmian League neighbours Kingstonian 2-1 at Crystal Palace.

Election to the Athenian League soon followed and in their first season, 1950-51, Swans finished runners-up and again won the Surrey Senior Cup at Palace, defeating the much vaunted Dulwich Hamlet 2-1.

## **Great days, big crowds**

These were halcyon days for the Stompond Lane side and the FA Amateur Cup Semi-Final was reached in successive seasons, 1951-52 and 1952-53, only for Swans to go out to Walthamstow Avenue and Harwich & Parkeston respectively.

During this period the club enjoyed a tremendous following, and a record crowd of 10,000 were at the Lane in 1952 when the famous Crook Town were the visitors for an Amateur Cup tie.

Stars of this era included Swans' most famous player, England and Great Britain Olympic defender C.R. 'Jack' Neale, and the prolific Reg Sentance, still the club's all-time top scorer.

Some lean years followed, although the FA Cup First Round was reached for the first time in 1957-58, Southampton winning 6-1 before 6,000 people at Stompond Lane.

Don Stoker's popular sides of the early 1960's brought cup fever back to the Lane and there were fine runs again in the FA Amateur Cup.

Two late goals by the prolific and popular Brian Jenkins beat the star-studded Wimbledon side in the Surrey Senior Cup Final of 1960-61, and the trophy was retained against Sutton United the following season.

After several years of mid-table respectability the appointment of Allen Batsford as manager in 1967 heralded the beginning of the most successful period in the club's history.

At the end of his first season, a superb victory over a powerful Wimbledon side in the two legged Final secured the Premier Midweek Floodlit League title, the first of three, followed a year later by the winning of the Athenian League championship for the first time.

The FA Cup First Round Proper was again reached in the following two seasons, only for Swans to lose to Barnet 1-0 in 1969-70 and Telford United 5-2 in 1970-71, both games being played at the Lane.

The runners-up spot in the League was achieved in both those campaigns and the Surrey Senior Cup came back to Stompond Lane in 1970-71, Woking being defeated 3-0 in the Final.

Election to the Isthmian ranks followed, with third place attained in the first season, 1971-72.

## **Wembley at last**

Then followed the most memorable season in the club's history, 1972-73.

The FA Cup First Round barrier was overcome for the first time with Exeter City being defeated 2-1 amid tremendous excitement at the Lane, only for visitors Margate to win by the only goal in the Second Round.

Kingstonian were beaten 2-0 in the Surrey Senior Cup Final and the runners-up spot achieved in the League.

Then on the 14th of April 1973 the ultimate prize was gained at Wembley when 41,000 people saw a last-minute Roger Connell goal against Slough Town bring the FA Amateur Cup to Stompond Lane, the trophy being won without a goal being conceded, a record never to be equaled.

Dave Bassett, Willie Smith and Connell also had the honour of playing for the England Amateur side.

The following season Brian Clough brought his Brighton & Hove Albion side to Stompond Lane in the FA Cup First Round, and following a goalless draw, Swans pulled off a sensational result in the replay at The Goldstone Ground, a Clive Foskett hat-trick included in a 4-0 win.

Sadly, when Batsford left for Wimbledon the following season the fine team broke up, the crowds drifted away, and relegation soon followed in 1975.

The FA Cup First Round was surprisingly reached in 1975-76, and a young side put on a battling performance at Selhurst Park against Malcolm Allison's Crystal Palace, only going down 1-0 to a late goal.

Barren years followed, with the club several times being close to extinction.

In the mid 1980's the club was proud to have Sir Stanley Matthews as President, but sides flattered to deceive and only a draw in the final game of the 1986-87 season prevented relegation to Division Two.

## **Promotion**

After 20 years out of the top-flight, a young side under Neil Price at last gained promotion in 1993-94, and the following season the First Round Proper of the FA Cup was again reached, Swansea City winning 2-0 at the Lane.

However Swans' Centenary celebrations were spoilt by relegation after only two seasons back in the Premier.

Under the management of Laurie Craker the team ensured the stay in Division One was as brief as possible, promotion being gained on the last day of the campaign.

After a creditable first season back in the Premier Division it again proved to be a struggle to remain there, and at the end of the 1999-2000 season Swans finished in bottom spot and relegation again became a reality.

Swans had to wait until the 2004-05 season before more success came to Stompond Lane after long-serving player Alan Dowson took over as manager in October.

After defeat in his first match in charge, Dowson led the team to a record breaking 13 match winning sequence, fine runs in the FA Trophy and League Cup, and promotion as runners-up in the Ryman League Division One.

The Surrey Senior Cup Final was reached for the first time in 31 years, the Swans only losing a thrilling game against AFC Wimbledon 2-1 after extra-time before close to 4,000 people at Woking.

After a creditable first season back in the Premier Division a poor start to 2006-07 led to Dowson's early resignation and eventual relegation yet again.

Since then Swans remained in Division One, facing relegation fights on several occasions, until 2015-16, when a third from bottom finish finally saw them go down ending a 45 year unbroken stay in the Isthmian League.

At the end of September 2017 Swans were forced to leave their home of 8 decades, Stompond Lane, when it was sold for development, the club moving to a new home at a purpose-built Sports Hub in Waterside Drive.

After two good seasons in the Combined Counties League Premier Division, a poor 2018-19 led to a bottom place finish and relegation to Division One
