Welcome from our Chairman

David Lee

Good afternoon and welcome to the Bunn Leisure Stadium for today's Southern Combination Football League match against Epsom and Ewell FC. I also extend a warm welcome to our match officials for the game today, Mr P Ransome, Mr T Latter and Mr G Van Wyk. I hope that you all have an enjoyable time with us this afternoon.

Can I start my notes with regards to the serious situation that we find ourselves in with regards to Match Officials. Twice, within two weeks, we have found ourselves with only a referee and one assistant linesman at our games. Fortunately, we have a very able replacement in Tom Cripps, who has, on both occasions, stepped in to fill the gap. There is obviously an ongoing problem for the SCFL in covering every game at senior level. This is very disturbing as we should always have three officials at our matches. Can I ask everybody to have a little think about why there is a shortage of referees. Is it because they are constantly moaned at and abused? Has COVID-19 had an effect and they have got used to doing other things on a Saturday? Do they get the right support from the FA, County Associations and Leagues? I am sure that we will not be able to address the problem this afternoon and it will be a mixture of these three things plus other outside influences. I do feel though that we need to do our bit to help things. Can I ask that if we are responsible for abusing Match Officials, we stop this immediately. I know that I can be quite vociferous when it comes to passing comment at times, but I will make a commitment to tone things down a bit. We as a club have a responsibility to ensure that whoever visits our ground is made to feel welcome. I am happy for players, spectators and officials of the club to create an atmosphere at the club, but we need to keep it within bounds. That said, if there is anybody out there who feels that they would like to have a go at refereeing please either, contact me at the Club or contact SCFA for further details. It can be quite a rewarding job, as I have experienced in the past. Who knows, you could take up the whistle and one day be refereeing at the Bunn Leisure Stadium or even bigger arenas. There are plenty of Sussex referees out there who have experienced the game at the most senior professional levels.

To this afternoon.

We entertain Epsom and Ewell FC, for what I think, is the very first time. They are on a very good run at the moment and are undefeated in their last six league matches. They currently sit in fourth position in the division and will prove to be formidable opponents. We come into the game on the back of two draws and one defeat, so we will be looking to record a victory today. We have put in good performances of late and with a bit more luck we could have got a couple of wins.

Our Under 23s had a fixture on Wednesday against Arundel FC, but these notes were written before the game. I am therefore unable to update you on the result, but I am hopeful that they will have recorded a victory. You can find out how they got on by visiting the Southern Combination Football League website.

Please enjoy the game, enjoy our facilities and let's wish for a home win for the Blues.

Manager's Match Report

Daren Pearce

Last Saturday saw us entertain Forest Row FC and after 3 away games on the bounce its always good to be back on home turf, although not producing a vintage 1st half display we started brightly but then lost our momentum and let the visitors into the game and conceded on the half hour mark. Therefore going in 1-0 down at the break.

Second half, after some brief harsh words, we came out a lot more positive and searching for the equaliser and the win, we pushed hard and hit the post and bar then you wonder if its going to be your day!

But to the players credit they kept going and got the deserved equaliser and then pushed for the 2nd. The players couldn't quite break-through even after a goalmouth scramble near the end they couldn't force the ball over the line for the win, therefore the points being shared on a frustrating afternoon for us.

We know we need to be more consistent in our play, but the lads will be working hard to produce this during the week, we are a work in progress and there will be ups and downs during this season.

Our club is known for providing one of the friendliest of welcomes in the league, and for the quality of our playing surface which is superior to any club at our level.

We have a growing list of alumni who have come through our playing ranks and gone on to play professionally. We have excellent established links with all south coast football league clubs with a list of our youth talent currently at their academies. Our first team manager Darren Pearce brings through youth with a clear pathway for those wanting to aspire to first team football.

We want to keep this excellent pathway of football alive. We have boys and girls training with us who are desperate for team and playing experience, sadly we lack youth coaches and managers. We can offer to support anyone who comes forward to be a coach/manager and we have vast football experience within our ranks who can support you on you and your team's journey. PLEASE get in touch, you can speak to anyone, and they will point you in the right direction. If your child is currently on one of the evening training courses, have a chat with Darren. We are on all the social media platforms if you want to contact us informally at first.

We have big plans for the future of the club, we are working with Sports Dream to progress our development of a new club house. However, for the club to continue to prosper, more volunteer help is required behind the scenes - particularly on a Saturday and evening match day in ground set-up, match day hosting, stray ball collection and clearing up.

You may feel you can add value in other ways as an active part of our Committee - if so, we would also love to hear from you.

We would like to invite anyone who can give whatever spare time they may have to assist around the club. A passion for football is optional!

If you think you can make a difference, please contact club Treasurer Dickie Isted on 07885 619849 or email him info@selseypropertieslettings.co.uk

Match Day Admission Charges

Adults £5, Concessions £2 and U16s free (currently cash only)

(for all U16s we request the right to refuse admission if not accompanied by an adult)

Our gate receipts help the club, and without gate receipts, much like clubs in the Top Leagues, we too would struggle. The gate receipts help pay for the match officials and go towards the continuous maintenance of our pitches and facilities.

In return we hope you have a great time whilst inside the stadium, that you are safe due to all the preparations we have undertaken. At most matches our clubhouse and bar will be open, football will be on the big screens. The Tea Bar will be offering hot drinks and refreshments.

But most of all we hope that you enjoy our competitive Football—Grassroots at its best!

Thank you, your support today is greatly appreciated!
