# Welcome to Fetcham Grove

We welcome Reuben, his team, and all supporters to Fetcham Grove.

Our recent turn of good results was halted by East Preston at the weekend, after two great wins against Hailsham Town and Arundel, our performance dropped and East Preston were poised to capitalise on this.

Dorking comes into this local derby in a good spell, not losing in the league since Boxing Day, winning three and drawing once. Whilst their cup run came to an end last week when they visited Loxwood from the Premier, their league form speaks for itself.

We are in for a very competitive game tonight as we look to bounce back after a disappointing weekend result.

In news away from the pitch, we are still looking for our supporter's views on the recent local plan set out by the Epsom & Ewell Borough Council while we look to return to the borough for the first time in over 30 years. Why not view the local plan now, the link is available through our website - [www.epsomandewellfc.oc.uk](http://www.epsomandewellfc.oc.uk)

Good luck to both teams!

Mel

Made 2 Motivate Fitness Training is a sports business providing services within football & fitness.

M2FT offers the following:

- \*Football 1:1 and small-group performance sessions

- \*The M2FT Athlete Academy

- \*Outdoor group fitness classes

- \*Strength and Conditioning for sports clubs (basketball, football, and more).

- \* Personal Training/online personal training

And more.

We are also excited to announce that we have our own web app, where you will soon have the option to register to different platforms such as:

\*Design Your Training- This will be a unique training platform. The reason is that it contains so many features. The main feature is that you will be able to pick and choose exercises that you wish to perform, whilst following an effective and structured program. Additionally, there are workouts that you can select and follow during your training session. Our nutrition section will allow you to come up with your daily calorie needs, and you will be able to select and track your foods, either via our "foods database" or from your own meals. Finally, if you wish to work out from home, our HIIT section contains over 30 exercise clips that you can select and perform. Our sports science library contains many infographics, booklets, and posts about fitness, nutrition, anatomy, and more. Test your knowledge by completing our mini multiple-choice quizzes too!

\*The Athlete Academy App: a strength and conditioning platform for athletes that compete in multiple sports (football, basketball, rugby, hockey, and more). Like the "Design Your Training" platform, you will pick and choose your exercises, whilst following an effective & structured strength and conditioning program.

You may pre-register on our website!

# Made 2 Motivate

We also held our first showcase football trial, where we brought in multiple scouts representing different clubs (Southampton FC, Gillingham FC, Bromley FC, and more) and observed players aged 8-22 years old to scout for their respective club. Out of 29 players who attended, 5 drew interest from the scouts and were put in contact with them. We hope to host more showcases soon. Head over to our website for further information!

## Arundel (H) – Wednesday 23rd February '23

### The 'Mullets' hauled in – eventually.

We were expecting a tough match and that is how it turned out.

There was a new goalkeeper for us in Tom Theobald: Alex Penfold made the starting line up at left back: Chris Boulter at centre back with Dylan Marchant and Tyreke Leslie (making a welcome return) on the bench. All in all a strong line up.

We were definitely second best in the opening exchanges and it was no surprise when our opponents took the lead from a uncontested header following a corner; the team took this setback well and started to impose themselves on our opponents. The opposition goal survived at least two decent chances from us to equalise and then in the 43rd minute we made that breakthrough after a deflected shot from Gavin Quintyne beat their goalkeeper and nestled in the net. We would probably have settled to go in at the break level but after a defensive mix up, Jaan Stanley scored his first goal for the club (even though there was a stroke of luck with it going in off a defender, but with their being no 'goals awarding panel' at Step 6! the referee after the game was content to award it to Jaan – well done Jaan). So we led 2-1 at the break.

We were expecting an onslaught from our opposition at the start of the second half but in truth it never really came and the game became a slightly fractious affair with our visitors having two players booked – one of which could easily have been a sending off. We did not have to wait too long for that to happen when an off the ball incident was seen by an alert linesman who waved his flag furiously at the referee to bring his attention to it and the player was sent from the field of play for a second bookable offence. He was accompanied from the pitch by a member of their management team who was given a straight red card for his protests about the decision.

Then in the 80th minute after being down to 10 men our visitors equalised with a quite sublime free-kick which found the top corner. This galvanised us even more and our substitute the 'evergreen' Jamie Byatt had one glorious chance saved and then two minutes later he was not to be denied a second time as he squeezed the ball into the net from an acute angle and we led again. As the game entered injury time it became fractious again but in the 7th minute of injury time, the referee blew his whistle to signal the end of the game.

# Welcome Dorking Wanderers B

**Website:** [www.dorkingwanderers.com/bteam](http://www.dorkingwanderers.com/bteam)

**Founded:** 1999

**Home Ground:** Meadowbank Stadium, RH4 1ET

Football was first played in Dorking in the 1830s. The game was played in the street with the East and West of the town competing against each other in the annual Shrove Tuesday game. The first senior club, called Dorking FC, was formed in 1880 and became founder members of Surrey FA. Football in Dorking became quite literally central to the town in 1953 when a new stadium was built at Meadowbank - an iconic, picturesque location just behind the High Street. Among many memorable occasions in the Corinthian

and Athenian Leagues, the stadium's high point came in 1992 when a record-breaking crowd saw the latest version of Dorking FC take on Peter Shilton's Plymouth Argyle in the first round proper of the FA Cup. Unfortunately, there was to be no happy ending as, not only did the visitors secure a narrow 3-2 win, but Meadowbank never witnessed such heady days again. Two decades of under-investment and decline saw a dilapidated Meadowbank stadium, once the pride of Dorking, closed for health and safety reasons in 2013.

Meanwhile, Dorking Wanderers FC had been established in 1999. Founder members Marc White, Peter Buckland, Mark Lewington, Ian Davidson, Lee Spickett and Penny Gregg entered a fledgling team into the Crawley & District League, with home games played at Big Field in Brockham. The club remained at its village location for eight years until, after several promotions, it relocated to its current Westhumble home. This was a monumental project, which saw a huge off-the-field effort transform the once derelict site into a new, senior standard football ground.

The promotions kept coming and, in 2015, the club finished runners-up in the Sussex County League, securing promotion to the Ryman League. The club gained promotion to the Bostik Premier League at the end of the 2016-17 season, after play-off victories over Hastings and Corinthian Casuals.

After a season of consolidation in the Bostik Premier League, the club returned to its ancestral seat at Meadowbank, with a multi-million-pound stadium in July 2018. The move delivered a new, state-of-the-art town centre home for Dorking Wanderers, and acted as the catalyst for a magnificent season in 2018-19 as the team won the Bostik Premier League by some 22 points. After finishing seventh in their first season in the National League South, Dorking Wanderers suffered defeat in the 2019-20 Play-Off Semi-Finals.

Dorking then went on to see the 2020-21 null and void, sitting top of the league at the time of that decision. The Wanderers went on to clinch promotion to the National League in spectacular style, winning the play-off final of the 2021-22 season.

Dorking Wanderers 'B' has a firm commitment to developing talented players for the first team. They are the final piece of the club's Elite Development Pathway. The team compete in the Southern Combination Football League Division One under manager Ruben Gaspar.

## HOW IS THEIR RECENT FORM? LAST THREE RESULTS

**2-0 L**

**5-1 W**

**0-2 W**

Our previous result against Dorking in the league came back at the start of the year when we visited Meadowbank but left empty-handed after a narrow 1-0 loss. Turn over for that match report and photos.

## Dorking Wanderers B (A) – 2nd January '23

### Sucker Punch

We left the Meadowbank Stadium the home of Dorking Wanderers 'B' team with no points after losing to our opponent's only chance of the match in the 86th minute;

Most observers both home or away would have said a draw would have been a much fairer result. And yet we had the more clear-cut chances throughout the 90 minutes but were unable to finish and so were left to 'lick our wounds' and look forward to our next match against Selsey next weekend at Home where we have a chance to arrest this bad run of form we are currently experiencing. This result drops us to second place in the table with 14 games to play.

We had a few absentees from our normal squad but still took the field with a strong team but with only 3 substitutes.

We welcomed into our front Mario Quaiascca to partner Jamie Byatt up front and Ryan 'Butch' Smith came back to anchor our midfield.

The first half was a very even affair with the only chances of note falling to us, but as mentioned above we were unable to convert any of them. The second half continued in the same vein with some better chances for us to open the scoring, but then came the fateful moment in the 86th minute which ultimately turned out to be the winning goal.

## East Preston (H) – Saturday 25th February '23

### Not What Was Required

After two very good victories, we were looking to build on those against East Preston whom we beat earlier in the season 3-1 away. We were slightly depleted through injuries, but still started the game with enough experience to be able to continue our good run – oh how wrong you can be!!!

We started the game on the front foot and pegged our visitors back for long periods and then inevitably from their first attack our visitors scored from a long throw-in which was nodded on and put into the net at the back post unmarked. Within a few minutes, we were level after a dangerous corner which bobbed around in the six-yard box and George Owusu was on hand to score his second goal for the club to make it 1-1. This is how the half-finished.

The second half was a mirror image of the first with us dominating play but with little end product; it was clear that our visitors were keen to salvage a point from the game and then an innocuous ball that was not cleared ended up in the back of our net with a few minutes to play – there was simply not enough time to recover and we suffered a 2-1 defeat at home.

It must be said that we would once again have to question a lot of the officiating which was not very good with some very strange decisions from the 'man in the middle' who appeared to lose control of the game. Having said that, we only have ourselves to blame for not beating our opponents who had only two chances and scored both of them – as one of their management team was heard to say after the game 'we were very lucky and it was a total smash and grab'.
