OUR HISTORY MANAGERS NOTES

Established as A.F.C. Hillgate in 2012, the club joined the Middlesex County League. In 2013-14 they finished third in Division Two, earning promotion to Division One Central and East. After finishing sixth in Division One Central and East in 2014-15, they switched to Division Two of the Spartan South Midlands League. A fifth-place finish in 2015-16 saw them promoted to Division One. In the summer of 2016 they were renamed Kensington Borough. At the end of the 2016-17 season the club were moved to Division One of the Combined Counties League. At the end of the 2018-19 season, the club was renamed Kensington & Ealing Borough. Prior to the 2020-21 season the club agreed a ground share with Hanwell Town's, moving to Reynolds Field in Perivale.

Good afternoon & welcome back to the Powerday stadium for our 1st game back since the recent lockdown.

It's been difficult times for everyone around the country so we are hoping that the football will bring back some sort of normality.

Our form just before the break picked up as we beat Bagshot convincingly in a 8-2 home win in the league & a penalties victory over Ash United in the league cup. The management team worked hard just before the lockdown to bring in a few fresh faces to add to the quality that we already had. The new players settled in well judging by their 2 previous performances.

Today's opponents Epsom always seem to provide a stern test whenever we have played them so today's match should be another good contest. With both teams having the last 4 weeks off it will be interesting to see what shape both sets of players come back in & that could potentially play a factor in this match.

Regardless of everything I am confident we will have to much for our opponents Today & we will run away with the 3 points.

I hope you all enjoy the match & thanks again for the support.

Even in 2020, the FA Cup still delivers.

We had a brilliant weekend of second round action capped by quite possibly the best third round draw Non-League has ever seen.

It all started last Friday night with Brackley Town's brave 1-0 defeat at Tranmere Rovers which will have given hope to those watching that Football League opposition can be matched.

Solihull Moors went the distance with Morecambe, eventually going down 4-2 in extra time while King's Lynn Town certainly didn't disgrace themselves in their 6-1 defeat at League One high-flyers Portsmouth.

So then it was left up to Chorley on Saturday night to become the first Non-League club to make it through.

But standing in there way was a talented Peterborough United side, of League One, who know all about the quality players in the lower leagues possess having swept up the best prospects over the years.

Two goals in three minutes from Connor Hall and Lewis Baines turned round a one-goal deficit and sent Chorley into the third round with boss Jamie Vermiglio dreaming of a tie against Liverpool.

There were eight Non-League clubs hoping to follow in their footsteps the following day.

Four of the clubs were playing each other with Stockport County edging out Yeovil Town in a thrilling 3-2 victory after extra time while Marine, of the Northern League Division One North/West,

snatched a famous victory against Havant & Waterlooville thanks to Niall Cummins' effort in the last minute of extra time.

It made for an exciting third round draw on Monday night from Rossett Park, where Marine, in the eighth tier of English football, will host the biggest game in their history with Jose Mourinho's Tottenham Hotspur set to visit. The tie is the largest gap ever between opponents in the third round.

Then Stockport County were drawn at home and will host the team their manager Jim Gannon supports - West Ham United, also of the Premier League.

Another big name will be visiting a Non-League ground with Wayne Rooney set to take on Chorley at Victory Park as part of the struggling Championship side Derby County.

Boreham Wood will play Millwall having beaten Canvey Island 3-0 on Monday night after the draw was made.

As things stand, clubs will be able to welcome fans back for the ties providing tier restrictions do not change.

In the toughest of seasons, the FA Cup has at least brought joy to a select few but anyone watching the third round draw on Monday will have enjoyed seeing it go in the favour of Non-League clubs.
