# THE CHAIRMAN MEL TOUGH

Good morning to Dorking Wanderers Reserves FC players, committee, and supporters on this bank holiday Monday. A warm welcome to the officials also, to what may be our last home game, but let's wait and see! As they say, it ain't over till?

This season has been somewhat of a rollercoaster with plenty of drama on and off the pitch, we would like to thank all our supporters for your ever-growing contribution with many old and new faces becoming more regular here at Fetcham Grove. On the relationship with Leatherhead F.C, I can announce that we have recently signed an extension to our ground share which takes us up to season-ending 2024; the cost for the share is the same as in previous years.

This should coincide nicely with our 'back to borough' campaign and we can inform you that we have sent a letter of interest to Epsom & Ewell BC to be included in the Call for Sites in the Borough with Horton Park being our preferred location. Congratulations to Alex McKay and Barry Gartell for their perseverance in getting this over the line. To our members that have raised in excess of £600 in membership this year, I thank you, your contribution was ring-fenced and used to pay for the consultancy fees that were incurred for the campaign.

We are also very happy to welcome Gemma Jarman and Tony Foster to the committee, Gemma joining the media team, and Tony has taken over as membership secretary.

Happy Easter and Enjoy the game!

# TODAYS JOINT MATCH SPONSOR

Good Afternoon, Everyone,

George Best - who once played in a testimonial at Epsom's West Street ground in an age when the country's top footballers could be found taking part in matches such as this, or signing autographs in tents at local fetes - replied to a question about crowded fixture lists with the answer that he wouldn't mind playing every day. Well, if he'd been around at Easter in 1928, the year I was born, he may have had the chance to do so because a glance at the games taking place over that year's Good Friday weekend shows plenty of teams turning out two days running, or playing two games in three days or three games in four. Spurs for instance lost a home fixture to Sheffield Wednesday before defeating Arsenal a day later, again at home, which I imagine made up for it, though the following Tuesday they traveled to Yorkshire to play that season's away fixture against Wednesday and lost again.

Well, today we play our final home fixture of the season against Dorking Wanderers Reserves who like ourselves at the time of writing occupy one of the promotion play-off places. And what a season it has been for us, our first in this division. We have scored what I believe is colloquially known as a shed load of goals, and plenty of them by Jamie Byatt. Those of you who know me realize that while once nothing would keep me from attending games both home and away, weekday or weekend, whatever the weather, poor physical health means I now follow all of our matches on Twitter (from the discomfort of my armchair). Regularly this season I would call out "It's that man again!" as Jamie B scored yet another goal, making him as popular with Epsom's supporters as Tommy Handley once was with music hall audiences of my generation. Of course, someone has to provide the through-balls and crosses for any goal scorer, and I'm sure now he has segued so well into the manager's role he would be the first to acknowledge the importance of teamwork. And it is teamwork both on and off the field that has contributed to our successful season. My personal thanks go to our Mel Tough and Pete Beddoe who have kept me so thoroughly in touch, and further thanks go to all those committee and club members who have supported them in turn, providing the through-balls and crosses for their goals if you like.

So, here's hoping we end the season on a high, and perhaps with promotion. One thing's for sure though, too many games? Not for me.

Love to you all from Stella

## SALT IN FOCUS

# 9 JAMIE BYATT

**Age:** 40 | **Position:** Forward  
**Debut:** 21st Aug 2021

Jamie 'Busy' Byatt, our leading goalscorer and current player manager.

Our goal scoring machine rose to non-league fame whilst playing for Corinthian Casuals and hasn't shown any signs of stopping. Whilst scoring 30 goals in all competitions this season, Byatt has shown why age is just a number, working hard up front to create opportunities every game.

Sideline with an injury through February and March, Byatt has only just been overtaken as the league's top goalscorer by Roffey's Josh Neathey, who has played six more times this season than Byatt. We look forward to welcoming Jamie back to the starting line up soon!

## Epsom & Ewell FC v Selsey FC

### Southern Combination League / Division 1

Saturday 26th March 2022

#### Deja Vu

Our second meeting of the season with Selsey Football Club took place on Saturday 26th March, but this time at home and ended with the same scoreline as the away fixture with a resounding 4-0 win for 'The Salts'.

Selsey named four substitutes but there was no one on the bench as they had been caught up in the traffic issues on the way to us that even caused us to replace the designated linesman with a temporary replacement until the registered linesman had reached the ground. Despite the traffic issues and a late 'walk up' the game was enjoyed by just over 100 spectators.

We took the field with two changes to our team that earned a 0-0 draw with Roffey Football Club on the previous Tuesday, both Gideon Acheampong and Steve Springett were absent. We moved Louis Chin to right-back and Jerry Antwi to left-back.

The opening exchanges were fairly even, but with ourselves having the best chances. Then in the 25th minute, we broke the deadlock with a very good goal after a great cross by Luke Miller to Athan Smith-Joseph who was able to convert the chance. It was only 7 minutes later that we extended our lead after a great finish from the hard-working Kofi Quartey; you could visibly see that this goal took a lot out of our opponents. As we approached halftime, we put the game out of sight for our visitors with

another goal by Kofi to make the score 3-0 at halftime.

At halftime, Mo Cisse was replaced by Josh Uzun. In the 56th minute, we extended our lead much further with a superb shot that was drilled into the corner of the net by Luke Miller. In truth, we had various other chances to extend the lead but were unable to take them and the game ended 4-0.

It was great to see Jamie Byatt named on the substitute's bench as he will be needed as we come to the business end of the season. We now have a break from the league until the 16th of April, but will play Hailsham Town in the semi-final of the league cup on the 12th of April apparently at a neutral ground. We expect to hold a couple of behind closed door friendlies as we keep our match fitness up before the final three games of the season.

We have exciting plans for our last home game of the season at home to Dorking Wanderers which is being sponsored by What's on in Epsom and Dorking including buying tickets online. There will be a collection for the Ukraine Disaster Fund at the match and a place for you to bring any unwanted items which can be transported to support the refugee crisis in that region.

# COMMUNITY PARTNER CLUBS

As a club, we are looking to grow our club by committee members, supporters, or members. Our aim is to raise our profile both in Epsom and the surrounding areas as such we have partnered with several grassroots clubs and organisations..

In our match day programmes we will be featuring some of these clubs until the end of the season and would like to welcome officials, players, and members from those clubs to Fetcham Grove.

## EPSOM & EWELL COLTS FOOTBALL CLUB

Epsom & Ewell Colts FC is an inclusive and diverse England Accredited club committed to providing a safe and fun environment that allows players, coaches and managers to develop their skills and ensure a positive experience in youth football.

Our club has been in existence since 1971, originally being known as West Ewell Wanderers FC. In 2006 the club changed its name to Epsom & Ewell Colts FC.

Since 2006 the Colts have gone from strength to strength, not only on the pitch but also with its committee, managers and coaches who ensure the stability, standards and continued growth of the club.

Currently, we run a mixture of boys & girls teams, with the number of teams standing at 50 plus that play across Saturdays and Sundays.

**WWW.DORKINGWANDERERS.COM**

Dorking Wanderers Reserves are the second side to the National League South club. Being originally placed in the Combined Counties Division One, they moved to the South Combination League with us at the start of the season.

With a good season and seeing themselves in the play-off spots as it stands, Dorking has shown their young reserve side can compete at this level. But due to the league rules, they are not eligible for promotion and therefore must sacrifice any play-off spot to the team in 6th place.

# GET TO KNOW RICARDO FERNANDES

**- What made you want to sign for Epsom & Ewell?**

So my first thoughts was about getting more game time and sign for a club who want to win this league.

**- What were your first thoughts on the squad?**

The first time I met the team I saw a very good environment where I saw myself get involved with everyone very quick and all off them very supportive.

**- What did it feel like playing for Epsom the first time?**

Was amazing, everyone from the club welcomed me very well. Was a home game where we win very comfortably.

**- What did it feel like playing against your previous club Roffey?**

I felt good to demonstrate them what I'm capable of. Was a tough game where we didn't take the 3points.

**- Does Bruno ever get to see you play?**

That will be good but no. Off course is not near by and he does have games very often at same time as we do.

**- What are your aspirations for the rest of the season?**

So we still fighting to get on the playoffs and to get promoted as we are in a good position for it. So we still need to fight for that.

**- Is there a coach or individual that inspires you?**

Of course my brother, we grow up together fighting for the same objective in life: being a professional football player. So seeing him get this far is magical and I'm so proud of him.

**- How would the rest of the squad describe you as a player and person?**

That's a good question. So I hope they found me helpful inside and outside the pitch, I'm here to help the club and my teammates in any way possible.

## LATEST CLUB NEWS

Athan Smith-Joseph recently won our player of the month as voted for by the committee! Athan had a great February & March scoring 3 goals and having some outstanding performances! Athan also welcomed his new boy into the world! Everyone at Epsom & Ewell FC would like to congratulate Athan and his family.

In other club news, we welcomed Gemma Jarman and Tony Foster to our committee. Gemma has gone into our media team as we gear up for what can only be described as exciting times ahead for this football club and Tony has taken up the role of membership secretary. We wish them both an enjoyable and successful time with us in the short and long term!

The club are on the look for any club awards or memorabilia. We lost a significant amount due to a fire and are wanting to increase our collection. Any donations back to the club will be greatly received.

# LATEST CLUB NEWS

Epsom & Ewell FC were yet again voted 'Team of the Month' for Division One for March by the Southern Combination League Committee. This is the third time we have won this award and it shows we can compete at the top end as we go into our final three league games.

Finally, as our chairman touched on in his welcome message, we have two announcements with regards to our short and long-term future. Firstly, our short-term future. We have agreed to a further two-year ground share agreement with Leatherhead FC which will see us complete the 2023/2024 season at Fetcham Grove.

Our long-term future is still to return to the borough after decades of moving around Surrey. We have sent a letter of interest and our plans to Epsom & Ewell borough council to be included in their recent 'Call for Sites' in the borough. Barry Gartell & our B2B Chairman Alex McKay have put in countless hours into ensuring our plans are put forward and considered by the council.

We ringfenced our membership fees in order to put our plans forward which came to £600. Thank you to all our members who have helped us push forward.
