ACES maintain, service and repair Chillers for most applications. The sectors we specialise in are Data Centres, Retail, Process and Commercial Buildings.

Data Centres rely on a constant temperature and it is extremely critical to maintain this. Over-heating or over-cooling can have dire consequences. ACES can detect any problematic hotspots. Retail and Offices – ACES maintain the cooling equipment of 10,000,000 sq. ft of retail buildings and offices in London, keeping over 200,000 people in a comfortable working environment.

PRESIDENT & THE CHAIRMAN

STELLA LAMONT | MEL TOUGH

Good afternoon everyone. On behalf of Epsom and Ewell Football Club, I would like to extend a warm welcome to the Players, Officials and Supporters of Forest Row for today's Southern Combination League One encounter.

I hope you all had a restful and joyous Christmas. We had a quiet December with only two leagues, one at the start and the other only last Monday. We hope for an entertaining game, with this being our third meeting with Forest Row. Enjoy the Game!

Mel Tough

Hello Everyone,

When I travelled to California at the end of the 1970s, helping to organize exchange trips for youth footballers, they were occasions when I made friends for life. One Christmas, two of them, Ed and Edith from Camarillo, sent me a hand-drawn card with some words embracing the quality of kindness. Latterly I learnt they were the sayings of the American Howard W. Hunter, and possibly you'll find them somewhat trite. Perhaps though you'll agree they are well-meant and that the underlying philosophy is sound. While not exactly resolutions they are, I think, entirely suited to the season, and it is in that spirit of goodwill that I'd like to share them with you as we look forward to a New Year which despite its ongoing tribulation is already made buoyant by the splendid performances of our team. And long may that continue!

"Mend a quarrel. Seek out a forgotten friend. Dismiss suspicion and replace it with trust. Write a letter. Give a soft answer. Encourage youth. Manifest your loyalty in word and deed. Keep a promise. Forego a grudge. Forgive an enemy. Apologize. Try to understand. Examine your demands on others. Think first of someone else. Be kind. Be gentle. Laugh a little more. Express your gratitude. Welcome, a stranger. Gladden the heart of a child. Take pleasure in the beauty and wonder of the earth. Speak your love, and then speak it again."

Wishing you all peace today and joy tomorrow.

With love from,
Stella

WELCOME FOREST ROW

WWW.FROWFC.CO.UK

FOUNDED: 1892

HOME GROUND: MEMORIAL GROUND

Frow is one of the oldest football clubs in Sussex, founded way back in 1892. The last 129 years has seen us ply our trade in the Mid Sussex divisions, playing at the Memorial Ground nestled in the heart of the village. It's a beautiful sports pavilion that's still home to our Reserves, the Juniors and other sports including tennis and cricket.

After a new crop of players joined back in 2012, the club was fresh off the back of two successive demotions, managerless and languishing in the MSFL Division One. Fast forward 9 years and we're playing in the Southern Combination Football League for the first time in our existence.

Despite three promotions in this time, recent silverware has eluded Frow, coming close in the Montgomery Cup against Lindfield in 2016 and then reaching the Sussex Intermediate Cup final in 2020 only for COVID to enforce the cancellation of the competition. It was a frustrating end to a successful season for Frow, who was also sitting pretty in second and going for the MSFL Prem title.

Following a ground share agreement with Oakwood FC thanks to supporting from our sponsors Elliot Scott Group, Frow's high placed finish at the end of the 2020/21 season was enough to take us up to County 1 and enjoy step 6 football. It's an exciting journey to be part of and we look forward to testing ourselves against top opposition. We also bid a fond farewell to the Mid Sussex Football League after all this time and can vouch for the high level of quality in the Prem.

We are a club that likes to do things differently. We're tight-knit, pay to enjoy football rather than be paid, and we do it purely for the love of the game. As hopefully all past and present Frow players will testify, this is a special club.
