ACES maintain, service and repair Chillers for most applications. The sectors we specialise in are Data Centres, Retail, Process and Commercial Buildings.

Data Centres rely on a constant temperature and it is extremely critical to maintain this. Over-heating or over-cooling can have dire consequences. ACES can detect any problematic hotspots. Retail and Offices – ACES maintain the cooling equipment of 10,000,000 sq. ft of retail buildings and offices in London, keeping over 200,000 people in a comfortable working environment.

THE CHAIRMAN MEL TOUGH

WELCOME

to Fetcham Grove to Selsey's Management, players, supporters and committee, we hope you enjoy your visit.

After a bad week for cancellations and awful planning from the league we hope to get a game in soon and trust that the Leatherhead grounds people will have a suitable pitch available for a game of football?

If you have, hats off!

Our last encounter was a victory to Epsom but today I suspect it will be tighter than the previous score line.

On another sad not note, Dave Brenen a committee member during 2010 to 2012 that helped Epsom and Ewell in many aspects including; secretarial duties under very difficult conditions has passed and a minutes silence will be held.

We have 8 league games left (5 of which are here at Home!) and we need all the support we can get as we look to push for promotion! Become a member and support the club, bring a friend and get behind the boys for the run in!

Enjoy the game!

Oakwood vs Epsom & Ewell FC

Southern Combination League / Division 1

Tuesday 11th January 2022

We leave it late

A late winner by Jamie Byatt secured the points for us away at Oakwood Football Club on Tuesday evening; the goal was nothing more than we deserved after dominating for most of the game.

We made one change from the side that played against Montpelier Villa last Saturday with Kane Charles replacing Matt Bishop in goal. We also had three new players on the bench from the Epsom and Ewell Colts team; more about those individuals later on.

We started well and opened the scoring in the third minute after Kofi Quartey was fouled around 20 yards out. Steve Springett, stepped up and put the ball into the top corner of the hapless Oakwood goalkeepers net; it was a perfect free-kick.

Chances kept coming to us with various close ones from Luke Miller, Ricardo Fernandez and Athan Smith-Joseph but none of these came to anything and then in one of Oakwood's only attacks in the 25th minute they were awarded a penalty after a trip in the penalty box and the score became 1-1.

This was disappointing, but no sooner were we behind but we were in front again when some great work from Luke Miller ended up with his shot going into the net after one or two slight deflections. We fully deserved to be in the lead. The rest of the first half contained further chances for us but all to no avail.

No changes in personnel for the second half and the flow of play continued in the same vein with us pushing Oakwood further and further back. We had numerous chances to increase our lead and then got caught by a 'sucker-punch' when Oakwood broke through our defence and made it 2-2 with 13 minutes left. After this setback, we continued to look for a winner, the game became slightly disjointed as Oakwood players kept going down with minor injuries as they tried to 'take the sting' out of the constant

pressure they were under. This pressure finally took its toll, but it required a fantastic pass from Athan Smith-Joseph to make the breakthrough when he found Jamie Byatt in the box and he converted the chance with his head - it was a great goal. The game went into injury time which the referee adjudged to be over six minutes and after a couple of free-kicks from Oakwood as they went searching for an equaliser he blew his final whistle.

What of our three substitutes? Two of them made their debuts and did not look out of place, so welcome Kieran Strank and Alex Bennett. Our third substitute was about to come on when the referee blew his whistle so George Butler will have to wait a little longer to make his debut.

We learnt that after the game we had gone to the top of the table; we need to continue in this vein of form if we are going to secure the only promotion slot available.

We move onto a very tough away game at Godalming Town on Saturday which is one of our shorter away games, so if you are at a loose end why not come and support the 'boys' as we try to keep first place on the table.

One last footnote about last night, which typifies what being part of a football club at our level is all about. Mark, the owner, chairman and manager at Oakwood was seen before the game-fixing the floodlights, giving his team talk, taking the gate money and finally, white lining the perimeter of the pitch - what would 'grass roots' football do without this type of volunteer - take a bow, Mark

Yes, it was a disappointing loss, but rather it be at this stage of the season with over a third of the season to play for. We go again to Oakwood on Tuesday 11th January when we hope to get back on track.

Bradbury Veterinary Care

We are a family-run independent mobile veterinary service that provides experienced veterinary care tailored to your pets needs in the comfort of your home in East Surrey.

Phone Number: 07899177537 / Email: info@bradburyvetcare.co.uk

Services we can provide

- Vaccinations and preventative medicine against parasites
- Microchipping

Consultations for a wide range of problems your pet might have that we can help to diagnose and treat such as:

- Itchy skin or a rash
- Head shake or smelly ears
- Painful or gunky red eye that really needs to be seen
- Upset tummy or a vomiting pet
- New lump you're worried about
- Cough or difficulty in breathing

Is your pet drinking a lot more water?

And many more medical conditions that can be treated at the home. Or perhaps you just need advice on a concern you may have about your beloved pet.

Godalming Town vs Epsom & Ewell FC

Southern Combination League / Division 1

Saturday 15th January 2022

A disappointing defeat

This was always going to be a difficult game for us as we enter the last third of the season; a game against Godalming Town is always going to be hard. A healthy crowd of over 180 turned out to watch the game.

The least we deserved from this game was a draw, but unfortunately, we fell foul of a 93rd-minute winner from the home team and also an atrocious decision from one of the assistant officials which led to the Godalming second goal (more of that later).

The game was also marred by an incident midway in the second half when a home supporter was heard to racially abuse one of our players; there is no place in any level of football for that type of language. We await Godalming's reaction to this clear abuse of a player. The individual was asked to leave the ground but that is the least that should happen.

We had Matt Bishop back 'between the sticks' as Kane Charles had a setback with a hairline fracture of a finger and had to miss out. We welcomed back Brad Peters who gave a real solid performance on his return.

The pitch was not conducive to free-flowing football and the first half action reflected this. Both sides had chances to take the lead but the first half ended 0-0.

The second half started in the same vein and we took the lead after a great run and finish by Jamie Byatt. However, a few minutes later we were level when Godalming scored an equaliser. The scoring did not stop there and Godalming went further ahead, however, this was as a result of the aforementioned decision by one of the assistant referees who gave a throw into the home team when in fact it was an Epsom throw; this was corroborated by numerous Godalming supporters who were closer to the decision - truly shocking.

This setback was very difficult to get out of our player's minds but this they did and who else but Jamie Byatt was in hand to score our equaliser from a very acute angle with 3 minutes to go. at this point, most supporters would have accepted a draw, but it was not to be as Godalming scored a 93rd-minute winner.

Again a difficult result to stomach, but we have to look forward to the next few fixtures. A lot of our rivals have to play each other over the next few weeks which gives us a real chance to pick up further points to secure a place at the top of the table. We should not be too disheartened as there are plenty of games to go with 7 at home and only 4 away.

Jamie Byatt puts us ahead!

WELCOME SELSEY FC

HWWWW.SELSEYFC.CO.UK

FOUNDED: 1903

HOME GROUND: HIGH STREET GROUND

Selsey Football Club was formed in 1903 and played at various grounds before setting up home at the High Street Ground in the late 1940s. Selsey was a formidable force in the West Sussex Football League and dominated the league in the 1950s. Their record in the West Sussex Football League before applying for promotion to the Sussex County Football League was the envy of many around. They won Division One on six occasions in 1937/38, 1954/55, 1956/57, 1957/58, 1958/59 and 1960/61, together with the Malcolm Simmonds Memorial Cup on four occasions in 1955/56, 1956/57, 1957/58 and 1958/59. They also added the Sussex County FA Intermediate Cup trophy to their haul in 1958/59.

Selsey made the step up to the Sussex County League in 1961 and made an immediate impact on Division Two when finishing runners-up to champions Shoreham in their first season. Selsey gained promotion to Division One in 1963/64, ending the season as champions and were also winners of the Division Two Invitation Cup. The club remained in the top division for five years before being relegated in 1969. The highlight of their early existence in the County scene was when they appeared at the Goldstone Ground, Brighton and were narrowly beaten by Eastbourne Utd 1-0 in the Sussex Senior Cup in season 1962/63.

A return to the top flight was achieved in season 1975/76, again as champions, but within two seasons the club once again found itself back in Division Two. They then endured a further nine seasons in the lower division until they gained promotion back to Division One for the third time in 1986/87, as runners-up to Pagham. Their two chances of cup glory during that time came in 1984/85 when they were runners up in the Division Two Cup losing to local rivals Chichester City 2-1 and in 1986/87 when they were eventual winners.

Once back in Division One Selsey managed to survive for four seasons, until finishing bottom in 1991 with just 12 points. They had another chance of silverware in 1989/90 but again failed in the final when they lost to Langney Sports in the John O'Hara League Cup. They made amends by winning the County League five a side tournament at the Brighton Centre. The club then had a period of success when they were runners up in the Division Two Cup in 1994/95 and winners of it the following season, together with winning promotion to Division One again in 1995/96.

The club then enjoyed its longest spell in Division One, a period of eight years. It then had its most successful time, when Danny Hinshelwood took control of the club in 2000. Season 2001/02 saw them win the SCFA RUR Cup and the following year saw them lift the John O'Hara League Cup. In 2000/01 and 2001/02 the club finished 4th on both occasions, their highest finish to date. Problems behind the scenes at the club, however, saw them start 2003/04 amongst the favourites for relegation. The annual curtain-raiser - The Norman Wingate Trophy - did little to dispel those feelings, as Whitehawk thumped a woeful Selsey side 6-1. The remainder of the season followed suit as Selsey were relegated to Division Two.

Following two seasons of rebuilding and restructuring, and with Danny Hinshelwood back in charge, the 2005/06 campaign saw Selsey back to something like their best. They gained promotion back to Division One and in 2006/07, they finished in 8th place. They also won their way through to the SCFA RUR Cup final again in season 2007/08, but could not record their second triumph of this long-established competition, losing to Three Bridges. A 15th place finish kept them in Division One. Another cup final appearance was to come Selsey's way in 2011/12 when they played Rye Utd in the SCFA RUR Cup, but again could not record a win and lost 2-0.

In 2011 the club made improvements to the ground in line with the FA ground grading requirements and now has a ground worthy of its County League status. Selsey's 2012/13 season saw some highs and lows. League wins at Hassocks and Redhill were the pick of the bunch and an emphatic 4-0 thumping of Rye Utd avenged the cup final defeat from the previous season. A total of eleven league wins and twelve draws saw Selsey finish 18th in the league, only avoiding relegation by four points.

The following season started with great enthusiasm and optimism. Ex Brighton and Hove Albion favourite Adam Hinshelwood were in charge of the side and things looked good for the new campaign. However, a far from the bright start saw Selsey draw their first game and lose their next three before beating local rivals Chichester 2-1 at home in the league. Early exits were recorded in the FA Cup and FA Vase and their league form was inconsistent. This form led to Hinshelwood resigning as Manager when they lost away to 2nd Division outfit Broadbridge Heath in the SCFA RUR Cup. Ryan Pharo took over the hot-seat and stabilized the ship, recording notable victories against Pagham and Hassocks. Pharo's rein at the Club however was short-lived and he was removed from his post in March. The Club decided to take on a Youth policy and needed to promote from within. Steve Bailey was promoted to the position of Manager and with half the first-team squad leaving the Club it was a difficult end to the season. They lost seven of their last eight matches only winning the last game of the season at home to Lingfield 3-2. This win secured their place in Division One for another term.

The 2014-15 Season proved to be a very difficult time for the Club. The first team struggled in the league and never looked like holding onto their position in Division One. They ended the season in bottom place with only eleven points to their name which meant relegation to the newly formed Southern Combination Football League. Their cup exploits did not fare any better with defeats in the first round of each competition.

The 2015-16 season again proved to be tough for Steve Baileys' side. It took until the second week in October before they recorded their first league victory. (The first game of the season was awarded to Selsey when Saltdean Utd FC was unable to raise a team). Early Cup wins in the Peter Bentley Cup and Division One Cup were an improvement on the previous term, but unfortunately, the side went out of these competitions before any silverware came their way. For the third season running Selsey were either, already relegated, or needed a result on the last day of the season, to ensure they did not end up in the bottom three. A 1-1 draw at home to Southwick was sufficient for the team to retain its Division One status and plan for the season ahead.

2016-17 saw an improvement in the league and Selsey finished in a respectable 7th position with 53 points. Again, there were early exits in the cup competitions but some good performances throughout the season suggested the Club was heading in the right direction.

Much was expected in season 2017-18, but Selsey was unable to improve upon the previous season's finish. They maintained a mid-table position when they finished 9th on 47 points. The side fared no better in the cup competitions and the season ended up a bit of a disappointment. It was at the end of this season that a managerial change was made. Steve Bailey was replaced by ex-player Daren Pearce, who had previously been in charge at near-neighbours Sidlesham FC.

2018-19 saw an immediate improvement and the 1st team ended up in 5th position with 66 points. The National and County cup competitions were not favourable to Selsey and interest in these, was again, lost in the early rounds. However, the U18s were dominant in the league. They not only won the U18 West Division, but they also won the SCFL Champions of Champions final. Things looked very bright for the club moving forward.

The next two seasons were disrupted by the COVID-19 pandemic. Season 2019-20 was terminated in March 2020 and, whilst season 2020-21 got underway, it, also, was not concluded.

Fortunately, a lot of the COVID-19 restrictions were lifted for the commencement of the 2021-22 season and this started on Saturday 31st July.
