THE CHAIRMAN MEL TOUGH

Good afternoon and welcome to the players, supporters and officials of Selsey Football Club.

We endured a stalemate with table topping Roffey on Tuesday evening, with both teams producing a physical battle but with no goals to show for it. A fair result at the end of a match which saw both Roffey and the referee both wearing black!

As we look ahead to our final four games we need one final push to put us into the play-offs. We only have Dorking Reserves at home left after today, which is sandwiched in between a trip to Arundel and then Mile Oak on the final day of the league season.

Back to the game in hand and we face a Selsey side who are in good form in the league, losing only once in their last four.

It will be a tougher test than last time when we traveled down to the south coast in November. We came back up the A24 with three points and a great performance from the boys.

We are in for a great battle today in which we can look to close the gap on those above us who don't play today. Good luck to both sides and enjoy the game.

Shoreham FC v Epsom & Ewell FC

Division One Challenge Cup - Quarter Final

Saturday 19th March 2022

Epsom eventually 'open up the shell' of the Musselmen

We visited Shoreham Football Club for the second time in less than two months but this time in the Division 1 Challenge Cup Quarter Final. On our last visit here we lost 3-1 in the league. We made a few changes to our lineup for the game but it was great to see our player-manager and leading goalscorer Jamie Byatt named on the bench after a long absence from first-team action.

The conditions for the match were not conducive to a free-flowing game with a strong wind and a very bobbly pitch. Both teams tried to make the best of the conditions but in truth, the first half was a rather drab affair with no team getting to grip with the game. We ended the first half at 0-0.

We kicked off the second half and we were playing into the stiff wind again, both sides tried very hard to play decent football but on many occasions, the pitch or the wind got the better of them. In the 68th minute, we had what looked like a perfectly good goal disallowed for offside when the person who scored (Luke Miller) ran from an onside position after a great one-two with Kofi Quartey; no one was sure what the linesman saw - but we move on. Another issue of note was that our

goalkeeper was booked by the referee when the ball was moved out of the 6-yard box by the strong wind and he booked him for time-wasting!

It looked like the game was heading to a penalty shoot-out but then in the 87th minute, Luke Miller was tripped by the Shoreham number 11 as he swept into the box. Unfortunately, there were lots of shenanigans by the Shoreham players and especially the goalkeeper before Josh Uzun was about to take the penalty kick; one Shoreham player was sin-binned for something he said to the referee. Josh despatch the penalty but their 'firebrand' goalkeeper took exception to an Epsom player who was celebrating and was promptly red-carded. It did not stop there another Shoreham player was sin-binned so the game restarted with only 8 Shoreham players on the pitch. Thankfully the referee blew the final whistle within a few minutes of this incident before any more issues could take place

We move into the semi-final against either Hailsham Town or Godalming Town who play their quarter-final game next Saturday. We return to league action at home this Tuesday with a top of the table clash against Roffey.

Tre Towers tries to find an opening

Josh Uzun scores from the spot to send us into the semis!

EPSOM & EWELL FC

COMMERICAL

TODAY'S MATCH SPONSOR IS...

JOHN BONNER

A long term supporter of Epsom and Ewell FC who has kindly sponsored the game today. He is a lifelong Fulham supporter and is looking forward to their promotion this season!

He is also a great fan of National Hunt racing and really enjoys his time at various meetings around the country.

John wishes the team and committee every success this season and hopes it will be a good one.

THANKS JOHN!

SPONSORSHIP OPPORTUNITIES AVAILABLE

We have lots of ways your can support and sponsor the football club, from sponsoring a match, player or our programme all season long! Every sponsorship helps our club move forward with the added extra of promoting your business.

We are looking for a new kit sponsor for next season! Want to see your company's logo on the front of our home and away kits? Get in touch today for prices and availability!

Epsom & Ewell FC v Roffey FC

Southern Combination League / Division 1

Tuesday 22nd March 2022

A good 'Boar' draw

On Tuesday evening at Fetcham Grove, we entertained the current league leaders, Roffey Football Club (nicknamed the Boars) . A win for Roffey would give them a huge step towards automatic promotion, whereas a win for Epsom would have put us back into the automatic promotion frame. It turned into a tense and sometimes fractious encounter watched by a healthy crowd of over 130.

We made two changes from our win at Shoreham as we welcomed back Athan Smith-Joseph and Mike Hill into our starting line up and of course a chance for Ricardo Fernandes to play against his former club for the first time. It should be noted that Ricardo altered a planned family trip to Portugal so he could play in the match which shows great commitment to our cause.

There is something else to note which perplexed nearly everyone at the match which was the choice of shirt colour of Roffey which was predominately black in colour; the same as the referee - it was bizarre but both teams played on and confusion reigned for the whole match. There must be a pragmatic and sensible option to stop this happening again.

What of the match?

Predictably it was a tight affair with Epsom having the best chances throughout the first half. It was clear tactically Roffey had set up to defend with sometimes 7 or 8 Roffey players defending an Epsom attack as a unit and they should be congratulated on the way they kept their discipline as a defensive unit. This is not say that Roffey did not have any chances they did but they were typically long range shots well off target - Half time 0-0

The second half was played in much the same way, Roffey did have a brilliant chance to take the lead but it was miraculously cleared off the line by Steve Springett to keep the scores at 0-0. As previously mentioned the game was littered with petty fouls as the tension rose and the air was constantly filled by Roffey players appealing to the referee for some form of alleged misdemeanour from an Epsom player; it was annoying and really strange to reconcile with as Roffey are a good team and do not need to steep so low in using this tactic - it actually backfired when a Roffey player was booked for clear simulation.

The second half ended 0-0 so we ended with a point a piece. It was probably a fair result if you look at the game as a whole, but we certainly had the better chances to score.

We move onto a home game against Selsey this Saturday at Fetcham Grove with a 3pm kick off. It is being advertised as a non-league day because of the various international friendly matches taking place, so why not come on down and support 'grassroots' football; your support will be truly appreciated.

Our last game of the season will be on Easter Monday with an 11:00am kick off time, we are being partnered with What's on in Epsom and Dorking town pages as they have generously offered to be one of our sponsors for the game AND as a first for our football club, you will be able to buy tickets online for the game - more of this exciting development as the management of the football club try to think of innovative ways of improving our footprint.

WELCOME SELSEY FC

HWWWW.SELSEYFC.CO.UK

FOUNDED: 1903

HOME GROUND: HIGH STREET GROUND

Selsey Football Club was formed in 1903 and played at various grounds before setting up home at the High Street Ground in the late 1940s. Selsey was a formidable force in the West Sussex Football League and dominated the league in the 1950s. Their record in the West Sussex Football League before applying for promotion to the Sussex County Football League was the envy of many around. They won Division One on six occasions in 1937/38, 1954/55, 1956/57, 1957/58, 1958/59 and 1960/61, together with the Malcolm Simmonds Memorial Cup on four occasions in 1955/56, 1956/57, 1957/58 and 1958/59. They also added the Sussex County FA Intermediate Cup trophy to their haul in 1958/59.

Selsey made the step up to the Sussex County League in 1961 and made an immediate impact on Division Two when finishing runners-up to champions Shoreham in their first season. Selsey gained promotion to Division One in 1963/64, ending the season as champions and were also winners of the Division Two Invitation Cup. The club remained in the top division for five years before being relegated in 1969. The highlight of their early existence in the County scene was when they appeared at the Goldstone Ground, Brighton and were narrowly beaten by Eastbourne Utd 1-0 in the Sussex Senior Cup in season 1962/63.

A return to the top flight was achieved in season 1975/76, again as champions, but within two seasons the club once again found itself back in Division Two. They then endured a further nine seasons in the lower division until they gained promotion back to Division One for the third time in 1986/87, as runners-up to Pagham. Their two chances of cup glory during that time came in 1984/85 when they were runners up in the Division Two Cup losing to local rivals Chichester City 2-1 and in 1986/87 when they were eventual winners.

Once back in Division One Selsey managed to survive for four seasons, until finishing bottom in 1991 with just 12 points. They had another chance of silverware in 1989/90 but again failed in the final when they lost to Langney Sports in the John O'Hara League Cup. They made amends by winning the County League five a side tournament at the Brighton Centre. The club then had a period of success when they were runners up in the Division Two Cup in 1994/95 and winners of it the following season, together with winning promotion to Division One again in 1995/96.

The club then enjoyed its longest spell in Division One, a period of eight years. It then had its most successful time, when Danny Hinshelwood took control of the club in 2000. Season 2001/02 saw them win the SCFA RUR Cup and the following year saw them lift the John O'Hara League Cup. In 2000/01 and 2001/02 the club finished 4th on both occasions, their highest finish to date. Problems behind the scenes at the club, however, saw them start 2003/04 amongst the favourites for relegation. The annual curtain-raiser - The Norman Wingate Trophy - did little to dispel those feelings, as Whitehawk thumped a woeful Selsey side 6-1. The remainder of the season followed suit as Selsey were relegated to Division Two.

Following two seasons of rebuilding and restructuring, and with Danny Hinshelwood back in charge, the 2005/06 campaign saw Selsey back to something like their best. They gained promotion back to Division One and in 2006/07, they finished in 8th place. They also won their way through to the SCFA RUR Cup final again in season 2007/08, but could not record their second triumph of this long-established competition, losing to Three Bridges. A 15th place finish kept them in Division One. Another cup final appearance was to come Selsey's way in 2011/12 when they played Rye Utd in the SCFA RUR Cup, but again could not record a win and lost 2-0.

In 2011 the club made improvements to the ground in line with the FA ground grading requirements and now has a ground worthy of its County League status. Selsey's 2012/13 season saw some highs and lows. League wins at Hassocks and Redhill were the pick of the bunch and an emphatic 4-0 thumping of Rye Utd avenged the cup final defeat from the previous season. A total of eleven league wins and twelve draws saw Selsey finish 18th in the league, only avoiding relegation by four points.

The following season started with great enthusiasm and optimism. Ex Brighton and Hove Albion favourite Adam Hinshelwood were in charge of the side and things looked good for the new campaign. However, a far from the bright start saw Selsey draw their first game and lose their next three before beating local rivals Chichester 2-1 at home in the league. Early exits were recorded in the FA Cup and FA Vase and their league form was inconsistent. This form led to Hinshelwood resigning as Manager when they lost away to 2nd Division outfit Broadbridge Heath in the SCFA RUR Cup. Ryan Pharo took over the hot-seat and stabilized the ship, recording notable victories against Pagham and Hassocks. Pharo's rein at the Club however was short-lived and he was removed from his post in March. The Club decided to take on a Youth policy and needed to promote from within. Steve Bailey was promoted to the position of Manager and with half the first-team squad leaving the Club it was a difficult end to the season. They lost seven of their last eight matches only winning the last game of the season at home to Lingfield 3-2. This win secured their place in Division One for another term.

The 2014-15 Season proved to be a very difficult time for the Club. The first team struggled in the league and never looked like holding onto their position in Division One. They ended the season in bottom place with only eleven points to their name which meant relegation to the newly formed Southern Combination Football League. Their cup exploits did not fare any better with defeats in the first round of each competition.

The 2015-16 season again proved to be tough for Steve Baileys' side. It took until the second week in October before they recorded their first league victory. (The first game of the season was awarded to Selsey when Saltdean Utd FC was unable to raise a team). Early Cup wins in the Peter Bentley Cup and Division One Cup were an improvement on the previous term, but unfortunately, the side went out of these competitions before any silverware came their way. For the third season running Selsey were either, already relegated, or needed a result on the last day of the season, to ensure they did not end up in the bottom three. A 1-1 draw at home to Southwick was sufficient for the team to retain its Division One status and plan for the season ahead.

2016-17 saw an improvement in the league and Selsey finished in a respectable 7th position with 53 points. Again, there were early exits in the cup competitions but some good performances throughout the season suggested the Club was heading in the right direction.

Much was expected in season 2017-18, but Selsey was unable to improve upon the previous season's finish. They maintained a mid-table position when they finished 9th on 47 points. The side fared no better in the cup competitions and the season ended up a bit of a disappointment. It was at the end of this season that a managerial change was made. Steve Bailey was replaced by ex-player Daren Pearce, who had previously been in charge at near-neighbours Sidlesham FC.

2018-19 saw an immediate improvement and the 1st team ended up in 5th position with 66 points. The National and County cup competitions were not favourable to Selsey and interest in these, was again, lost in the early rounds. However, the U18s were dominant in the league. They not only won the U18 West Division, but they also won the SCFL Champions of Champions final. Things looked very bright for the club moving forward.

The next two seasons were disrupted by the COVID-19 pandemic. Season 2019-20 was terminated in March 2020 and, whilst season 2020-21 got underway, it, also, was not concluded.

Fortunately, a lot of the COVID-19 restrictions were lifted for the commencement of the 2021-22 season and this started on Saturday 31st July.

Bradbury
veterinary
care

Bradbury Veterinary Care

We are a family-run independent mobile veterinary service that provides experienced veterinary care tailored to your pets needs in the comfort of your home in East Surrey.

Phone Number: 07899177537 / Email: info@bradburyvetcare.co.uk

Services we can provide

- Vaccinations and preventative medicine against parasites
- Microchipping

Consultations for a wide range of problems your pet might have that we can help to diagnose and treat such as:

- Itchy skin or a rash
- Head shake or smelly ears
- Painful or gunky red eye that really needs to be seen
- Upset tummy or a vomiting pet
- New lump you're worried about
- Cough or difficulty in breathing

Is your pet drinking a lot more water?

And many more medical conditions that can be treated at the home. Or perhaps you just need advice on a concern you may have about your beloved pet.

COMMUNITY PARTNER CLUBS

As a club, we are looking at growing, whether that be in our committee, supporters, or members. We want to build our profile both in Epsom and the surrounding areas as such we have partnered with several grassroots clubs and organizations.

We are going to be doing a profile on some of those clubs until the end of the season and would like to welcome officials, players, and members from those clubs to Fetcham Grove.

THE DOWNS NETBALL CLUB *High Performance Netball Club*

The Downs Netball Club was started in the 1950s by school teachers from the Ursuline Convent School, Downs Road, Wimbledon from which the name originates.

The club soon became a high performing club and has produced many international players over the years and can claim to be the top Club in Surrey. We field five senior teams and have a very flourishing Junior Section with over 100 members from 9 years old upwards. The Downs participate in both adult and junior leagues at a range of levels which enables players of differing standards to play competitive netball.

We are the only club in Surrey which offers the opportunity of playing senior club netball at the highest level, with a team in division two of the Premier League, whilst at the other end, our youngest team, the Under 12s, enter the popular Epsom Little League every season and the U11's enter the Mid-Surrey League.

Epsom & Ewell FC are honoured that Downs Netball Club is our principal partner in our exciting project in bringing 'The Salts' back to the borough and giving the Down Netball Club a permanent home. We will continue to work in partnership for the benefit of all parties involved in this once in a lifetime project.

1 in 8 men will get prostate cancer
