Welcome to the Recreation Ground

SCFL Division One Cup Round 2

Tuesday 1 March - KO 7:45PM

Good evening and welcome to all the players and officials of Epsom & Ewell for this evenings Division One Cup fixture. Thank you all for coming and please enjoy the game.

MANAGERS NOTES

We welcome Epsom & Ewell back to the Rec for the second time in four days this time in the SCFL Division One Cup. Clearly for both teams the league is the far more important competition and personally I could do without this game. What this game will allow me is to give certain players much needed game time as they return from injury plus the opportunity to have a proper look at some players who have not had much game time in recent weeks.

In the league game here on Saturday I was, like Midhurst, pleased with our overall display against another of the league's top sides. We spoke at half time about the first 20 minutes of the second half being key to how the game would turn out and unfortunately, we conceded two goals in the first seven minutes of the half and effectively the game was gone. We had our moments hitting the bar twice and three other opportunities where I felt we should have got a shot off rather than making another pass – if you don't shoot you don't score is the old adage! Its fine margins in certain games and it's that little bit of quality that makes the difference and those two early goals against us in the second half were the difference on the day. If you look at the top sides in this league, they all have a striker (or two) who have that quality in front of goal who make the difference and the reason they are where they are – these players also come at a cost!!

I'm delighted that Gary Elliott will make his return in goal this evening after not playing for over 4 months since his bad ankle injury sustained at Worthing United. I know he has found it frustrating being out for so long, but I must say his attitude has been first class during his long absence. He has been to every game in that time supporting the team and shows what a fantastic club man he is, a fine example to all our players. In recent weeks he has returned to the squad supporting Olly Howley who has also done a fantastic job in goal for us since Gary's injury. Olly has really stepped up and we are very lucky to have two competent goalkeepers at the club.

On Saturday we get back to the serious stuff of the league and travel to Oakwood FC. We all know that we are in a very difficult position five points behind Arundel who are the place above us, and it is going to take something special in our last seven games if we are going to get off the bottom of the table. Clearly having won only four league games all season if you were a betting man the odds of us getting enough points in our last few games to move off the bottom are very long!

There is no getting away from the fact we have lost our last ten league games and the responsibility for that record and the reason we are bottom sits with me – whatever happens now I hope we can pick up a few league points before the end of the season. The players whose attitude and commitment all season has been first class deserve some positive results but as we all know you don't always get what you deserve in football. What I do know we will continue to work hard to finish the season the best we can – if that is good enough time will tell.

Enjoy the game

EPSOM & EWELL

The club was established in March 1918 as Epsom Juniors and played cricket during the summer of that year. At the end of the summer a football team was formed, joining the Surrey Junior League in 1919. Although they finished bottom of the table in their first season. they became founders of the Sutton & District League in 1920. Renamed Epsom Town in 1922, they were Premier Division champions in 1922-23. The club subsequently transferred to the Southern Suburban League, which they won at the first attempt without losing a game. They then moved up to the Surrey Senior League. After finishing third in their first season in the league, the club won back-to-back league titles in 1925-26 and 1926-27, as well as winning the league's Charity Cup in 1926-27 with a 1-0 win over Egham.

After their success in the Surrey Senior League, Epsom moved up to the Premier Division of the London League in 1927, going on to win the division in 1927-28. They finished as runners-up in 1931-32 and 1932-33. also winning the Surrey Senior Shield in 1932-33 with a 5-0 win against Woking in the final held at Woking's Kingfield Stadium. They reached the first round of the FA Cup for the first time in their history in 1933-34, losing 4-2 at Leyton Orient. In 1934 the club was renamed Epsom, and they went on to finish as Premier Division runners-up again in 1934-35, 1936-37 and 1937-38. In 1949 the club joined the Corinthian League. They won the Surrey Senior Shield in 1954-55, beating Carshalton Athletic 1-0 in the final. The 1959-60 season saw the club win the league's Memorial Shield with a 2-0 win against Maidenhead United. In 1960 the club adopted its current name.

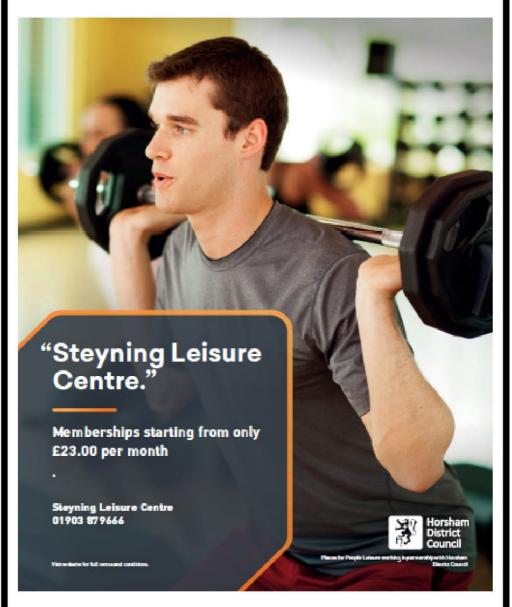

When the Corinthian League was disbanded in 1963, Epsom & Ewell joined Division One of the Athenian League alongside most of the other teams from the league. They were relegated to Division Two at the end of the 1964-65 season, having finished bottom of Division One. The club subsequently struggled in Division Two, finishing bottom in 1970-71 and 1971-72. In 1973 they dropped back into the Surrey Senior

League. Their first season back in the league saw them finish as runners-up and win the League Cup. The following season, 1974-75, the club won the league and the League Cup, as well as reaching the final of the FA Vase, losing 2-1 to Hoddesdon Town at Wembley Stadium. The club were promoted back to Division Two of the Athenian League and were runners-up in their first season back in the division, resulting in promotion to Division One. In 1977 the club transferred to Division Two of the Isthmian League, which they won at the first attempt, earning promotion to Division One. In 1979-80 the club won the Southern Combination Challenge Cup, beating Hampton 7-2 in the final, which was played at Hampton's home ground.

Eosom & Ewell remained in Division One until the end of the 1983-84 season, when they were promoted to the Premier Division after finishing as runners-up in Division Two under manager Adrian Hill, However, when Hill left the club to join Croydon in 1985, the club struggled; they finished bottom of the Premier Division in 1985-86. resulting in relegation back to Division One. The following season also ended in relegation, with the club placed in Division Two South for the 1987-88 season. League reorganisation in 1991 saw them moved to Division Three, where they remained until another round of reorganisation resulted in the club being placed in Division One South. However, they were relegated to Division Two at the end of the 2003-04 after finishing bottom of their division. In 2006 they were transferred to the Premier Division of the Combined Counties League when Division Two of the Isthmian League was scrapped. In 2012-13 the club won the Combined Counties League Premier Challenge Cup with a 3-0 win over South Park in the final at Cherrywood Road.

The 2017–18 season saw Epsom & Ewell finish secondfrom-bottom of the Premier Division, resulting in relegation to Division One. At the end of the 2020–21 season the club were transferred to Division One of the Southern Combination League.
