CHAIRMAN'S NOTES

MEL TOUGH

I hope you all had a fantastic Christmas and welcome back to real football.

We welcome some old faces today in particular Jamie, Penny, Sonic, Warren and Tom to name a few, I do know in my brief time involved in football some 40 Years ago that football can create friends and relationships forever.

We hope we can reciprocate the hospitality shown to us when we attended Imperial Fields in November.

Back to the football, both teams have been struggling lately but only by small margins, let's hope for an end-to-end entertaining encounter to give us some additional Xmas cheer...

I know both managers have been working hard to recruit fresh players and get training on it, is tough out there trying to get the right personnel and a venue that is open and available.

Peter O'Donovan has been attending meetings with council officers over the past few months and can report they have been incredibly positive from both sides. The council is moving to put a new local plan in place by 2025 and whilst most people think it is all about housing, the plan also must consider economic and retail requirements which include leisure facilities.

The club has identified an area within the Borough which would be ideal for not only our own stadium but also several pitches for netball, football and rugby, to name a few sports. There will also be changing and social facilities along with some office space. A state-of-the-art leisure facility in Epsom and Ewell. We will continue to collaborate with the council to bring an application to the appropriate committees in the next year and will keep you updated as we progress.

Happy New Year

TOOTING & MITCHAM FC

WEBSITE: WWW.GUILDFORDCITYFC.CO.UK

FOUNDED: 1932

NICKNAME: THE TERRORS

HOME GROUND: IMPERIAL SPORTS GROUND, MITCHAM

The club was founded in 1932 after a merger between two existing teams, Tooting Town and Mitcham Wanderers. Both clubs had played in the London League and the new entity continued to do so until 1937, when they were accepted into the Athenian League. League form was initially patchy, but consolation was forthcoming in 1938 with the capture of the Surrey Senior Cup as Dulwich Hamlet were overcome at Selhurst Park.

Wartime brought a mixture of friendlies, and a smaller regional league (the South East Combination) was competed in. In 1942, the London Senior Cup was won for the first time with another triumph over south London rivals Dulwich Hamlet - this time by a 5-4 success at Millwall's (old) Den. The club subsequently lifted this trophy on seven occasions, most recently in 2021. The Surrey Senior Cup has been won nine times in total, including a hat-trick in the years 1974 to 1976 - the first time this has been achieved.

In the post-war period, the club continued to play in the Athenian League, lifting the Championship Trophy on two occasions in 1950 and 1955. In 1956, they were accepted into the Isthmian League (then consisting of only one division), winning that Championship in 1960 and 1962, alongside consistently high placings for much of the next decade. The 1970s saw several notable FA Cup runs alongside mainly high league placings; in the 1975/76 season, they achieved their furthest run in the competition when they beat Swindon Town in a third-round replay before going out in the fourth to Bradford City. Having played in the top flight of the Isthmian League since the introduction of extra divisions in 1973, Tooting were relegated for the first time in their history in 1989 when they finished second-bottom of the Premier Division and dropped into Division One. They suffered a further demotion in 1997 after several mediocre seasons.

Happily, better times were just around the corner, and in 2001 the Isthmian League Division Two title was won.

In 2002, after many years of financial frustrations and setbacks, the club sold their Sandy Lane home to developers and moved into a purpose-built stadium at Imperial Fields for the start of the 2002/03 season. However despite the new surroundings, further financial difficulties beset the club and by 2005 they were only able to continue as a result of being taken on by the current owners, Tooting & Mitcham Sports and Leisure Ltd. Under the new administration, things began to improve on and off the pitch with the team playing a very consistent first half of the 2005/06 season, but injuries and the loss of star player Gavin Grant to Gillingham saw the team lose some of their cutting edge and start to falter, eventually finishing in a disappointing 6th place and losing to Tonbridge Angels in the semi-final of the play-offs.

At the end of this season, former player Billy Smith was appointed as manager. In his first season, the club lifted both the London Senior and Surrey Senior Cups, and finished second in the league, but lost the play-off final to Hastings Utd. The following season, after another runners-up position, the club secured promotion by defeating Worthing 2-0 in the play-off semi-final, and Cray Wanderers 1-0 in the final - both matches taking place at Imperial Fields. Returning, at last, to the Isthmian Premier after a nineteen-year absence, they finished the 2008/09 season in a comfortable 9th place and the following year reached the First Round Proper of the FA Cup for the first time since the '70s. Drawn away to Stockport County, then in the third tier of the Football league, many Tooting supporters made the journey north to take their place in a 3,000+ crowd but, unfortunately, they saw only monsoon-like conditions and a 5-0 defeat.

The management duo of Billy Smith and George Wakeling decided to call it a day at the end of that season, and despite a succession of managers taking the reins over the next few seasons, improvement was not forthcoming and the club finally succumbed to relegation from the Isthmian Premier in 2012. The next few seasons again saw several managers come and go, with none of them able to bring a lasting upturn in fortunes before Frank Wilson took his first senior role in football in 2015. An uncertain start did little to suggest major improvement was imminent but Wilson made several changes to his staff and introduced Paul Dale as First Team Coach in November, a move that saw results improve significantly; the club climbed away from the relegation positions and rounded off the campaign with a 2-0 victory over Hendon to lift the London Senior Cup for the seventh time.

The following season saw Tooting & Mitcham and Dorking Wanderers battling it out for the Isthmian League Division One South title, with the Terrors pipping their rivals on Goal Difference after both teams finished with over 100 points. Premier Division status was again short-lived, unfortunately; with little investment available the team predictably struggled in the higher echelon, yet relegation was only confirmed on the final day with defeat at Metropolitan Police the final nail in the coffin - just one point on the day would have been enough to ensure survival with only one team going down, it was not to be and the team departed the division the same way they had entered it - on Goal Difference.

The club parted company with Frank Wilson that summer, and installed Ashley Bosah and Cornelius Nwadior as joint managers. The duo had previously overseen the club's successful U23 side and introduced a number of these youngsters as a slow start became a playoff push after a steady climb up the table. Ultimately, disappointing form at home - where too many games were drawn - meant the team fell just short of their target, and potential consolation in the Surrey Senior Cup was not forthcoming as Metropolitan Police proved to be Tooting's nemesis again with a 2-0 victory in the final at Dorking.

Hopes were high as the 2019/20 season began. Still, with the team challenging intensely for promotion, the season was abandoned as the Coronavirus pandemic took hold and the country went into lockdown. The following campaign suffered the same fate after the team had once again started well, but the club managed to lift silverware again as the London FA decided to play the Senior Cup to a conclusion and on a sweltering afternoon in late May, a young AFC Wimbledon side was vanquished by 2-1 at Hendon's Jubilee Park and another trophy was added to the club's list of honours.

Despite the optimism which followed this, the 2021/22 season started badly, with the club never able to put together a consistent run of results; with relegation looming ever closer they managed to win three of their final five fixtures to haul themselves clear of danger, but it was to be a short-lived reprieve; the following season saw the team struggle to translate performances into points early on, with the inevitable result that the club spent most of the season in the thick of the relegation struggle. Despite the appointment of Andy Hunt in January, to work alongside Ashley Bosah, results saw little improvement and the inevitable relegation was confirmed with three matches to play when failure to beat Chipstead at home (the game finished 1-1) led to the Terrors relinquishing Isthmian League status after 67 years.

Andy Hunt left the club shortly after the end of the season, and Ashley Bosah stepped back to resume his former duties overseeing the thriving T&MU Academy system. This made the way clear for the club to announce the appointment of popular former player Jamie Byatt into the Manager's chair, quickly followed by his recruitment of former Tooting Bec manager, John O'Connor as his assistant. Completing the trio hoping to restore the club to former glories, Mark Hams - a player with the Terrors' Isthmian Division Two Championship side of 2000/01 - came on board as First Team Coach, leading to an upsurge in optimism amongst the fans, many of whom had felt their loyalties tested to the limit in recent times.

MATCH ACTION

TADLEY-CALLEVA

Epsom & Ewell FC v Tadley-Calleva
Combined Counties Premier South
Tuesday 19th December 2023

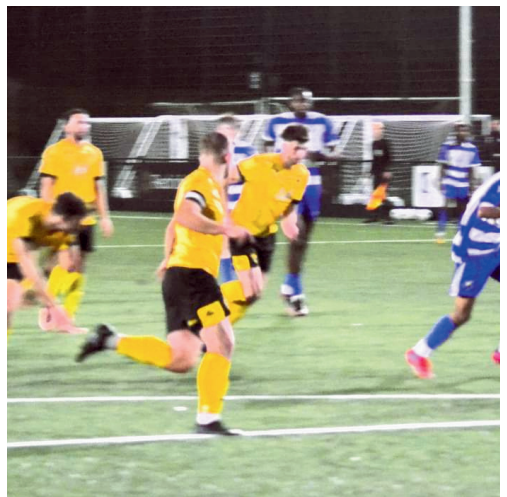

We welcomed Tadley-Calleva FC to the Reg Madgwick stadium on Tuesday evening and unfortunately suffered another home defeat which gave us the first unwelcome 'double' of the season after losing at their home ground at the back end of September.

We made a few changes to the starting line up after some late unavailability and injury to players who had turned out the previous Saturday in the draw at Colliers Wood United FC. Steve Springett came back into his normal central defensive role and George Owusu and Sirak Negassi were awarded starting berths. Toby Colwell retained the Number 1 jersey.

The match started brightly, and we were nearly ahead within the first 10 minutes after a shot from Sirak Negassi was parried by the opposition goalkeeper. The game was played at a frantic pace, but our opposition were certainly in control for most of the opening exchanges. It was no surprise when they took the lead on the 30th minute with a free header at the back post after some lacklustre marking by our team.

They continued to press us back and scored what turned out to be the final goal of the game in the 37th minute with a low shot from outside the box that evaded everyone and nestled in the corner of our net. The half ended 2-0 to our visitors.

We made no changes to our starting line up as the second half began and to any neutral watching we were certainly on the 'front foot' for most of this half and had numerous chances to try and cut the deficit, but this was all to no avail. Substitutes came and went but still no joy for the home team, some of the chances were gilt edged but no Epsom player was there on hand to score a goal. A Tadley player was sent off in the 89th minute for a second bookable offence and even with 7 minutes of time added on and playing against 10 men we were unable to break them down.

Epsom & Ewell Colts FC

Epsom & Ewell Colts FC is an inclusive and diverse charter standard club committed to providing a safe and fun environment that allows players, coaches and managers to develop their skills and ensure a positive experience of youth football.

Our club has been in existence since 1971, originally known as West Ewell Wanderers FC. In 2006 the club changed its name to Epsom & Ewell Colts FC.

Since 2006 the Colts have gone from strength to strength, not only on the pitch but also with its committee, managers and coaches who ensure the stability, standards and continued growth of the club.

Currently, we run a mixture of boys & girls teams, with the number of teams standing at 50 plus that play across Saturdays and Sundays.

As part of our three-year development plan, the Colts have initiated key partnerships and priorities:

Partnership with Chelsea Football Club Foundation to support the development of the Club, Managers and Players.

Partnership with GLF and Glyn School to secure a home ground that can provide excellent facilities for both the Colts and the wider community.

Our Ladies' team has now been created and provides lots of fitness and fun.

Sponsorship initiatives to provide income and longevity for the club

Our community partner clubs are a part of our project to return back to the borough, by allowing more younger players to use first-class grassroots facilities we have partnered with many local organisations to try and achieve this. You will find out more about our other community partners in future editions
