From the Clubhouse

Good afternoon and a warm welcome to Chalky Lane.

We welcome today's visitors, The Baggies - Adam his squad supporters and committee.

Both teams have had 6 points in 6 games so on form it looks like an even game. Epsom have added some quality to the squad recently and hopefully by the time this game is played we will be welcoming back Adam, apparently the grass was not that much greener at Fleet.

I have been away in Yorkshire looking after my parents.

On Remembrance Sunday, my father being a veteran, was on the march to the Abbey in Selby and was rushing my mother to get ready. This contributed to her having a fall and broke her hip. It has been a difficult 2 weeks as he has dementia caused more than likely from head injuries from football and also a bomb blasts during 7 tours of Northern Island, 6 months in The Congo, the 6-day Sinai Peninsula war and countless sorties into Northern Cyprus.

Today's game will be sponsored for the people that help dementia care and I have made a contribution on behalf of our club to dementiauk.org

I congratulate our fellow Scots on their fantastic victory on Tuesday and reaching the World Cup.

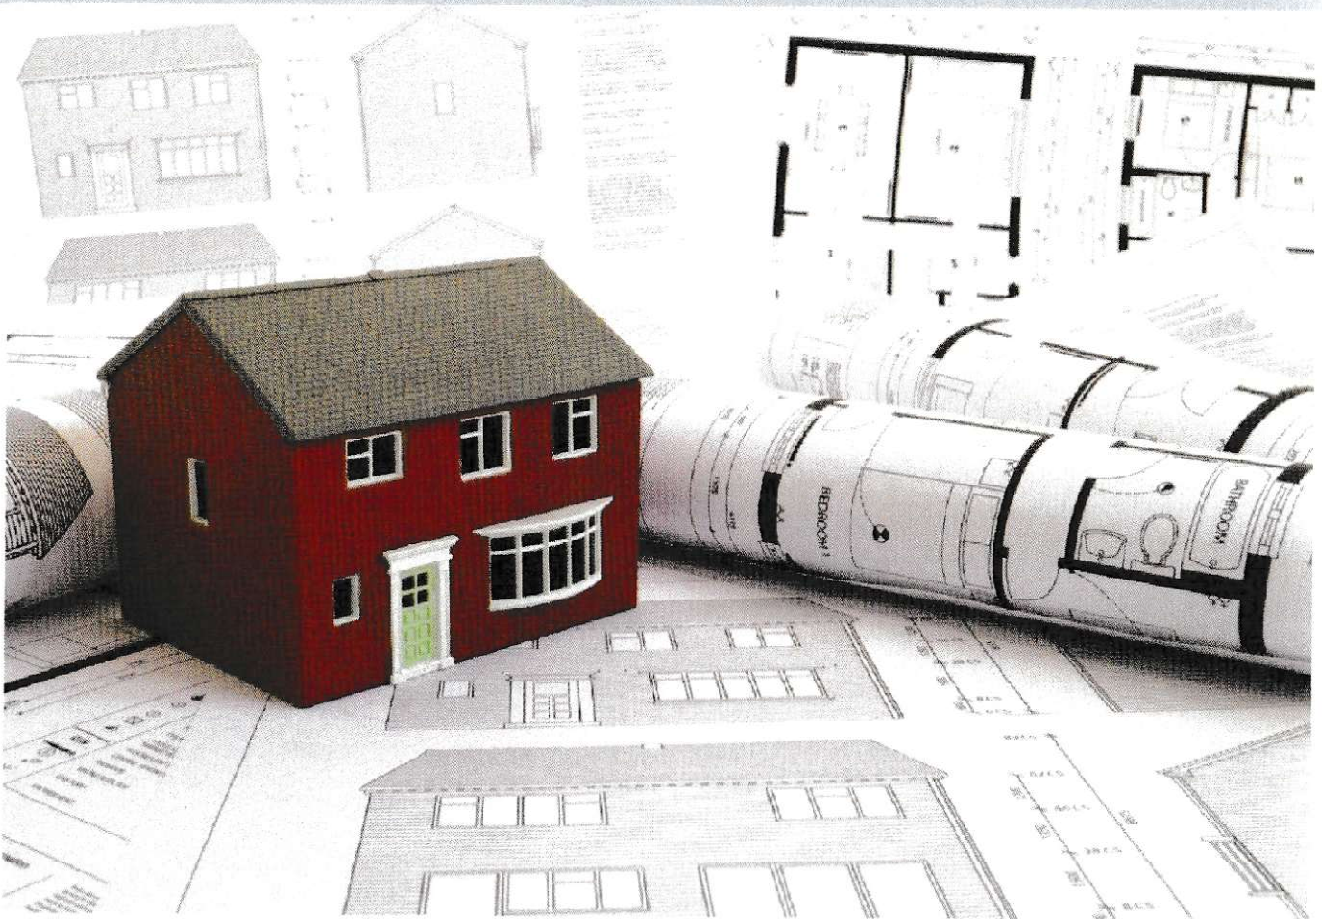

Enjoy the game and hopefully will see you all soon.

From the Bench

We welcome everyone back to Chalky Lane for our Saturday afternoon game against Badshot Lea. After a succession of Tuesday night fixtures, it's great to be back here on a Saturday. Our last two games have consisted of two of the most varied performances you will see all season.

It started with what can only be described as a lacklustre performance against Eversley and California in which we drew 1-1. A flurry of chances not taken and then a dreadful goal given away at the other end. It was a tough draw at the end of a really difficult run for the boys. But the belief in ourselves never wavered.

We now move onto Saturday where we came out winners against Sheerwater. It was a neutrals dream with us winning 4-3. Not sure it was good for the heart but it was much needed win, which showed so much about what we can bring to games. The game introduced two of our new signings. One of which the club knows very well and that's our former goalkeeper Sami Nabbad who was great to see back between the sticks on Saturday. We also welcome Tyler Robinson from Bedfont sports. An absolute coup for our team and those that watched on Saturday will see the quality that he possesses. Goal from Tom Collins, Antonios Nazareth, Brendan Murphy-McVey and Callum O'Keefe saw us pick up our first league away win of the season.

It was a really pleasing result after a bad run and now we look to Badshot Lea this afternoon. A team we have already played and drew to 0-0. On that day it felt a very close encounter, and we don't imagine this game will be anything different.

In terms of our squad today we welcome back Luis Oliviera to the squad after suspension and Connor McShane misses out due to an accumulation of yellow cards. Toby Young and Callum Wilson also miss out due to injuries, and we hope to see them both back in the next few weeks. Unfortunately for Niall Stilwell he has broken his shoulder socket and will be out for a longer period of time. We wish him a really speedy recovery.

We welcome Badshot Lea's fans, players and staff to Chalky Lane this afternoon and thank them for the kind hospitality they showed when we visited them earlier this season.

Welcome to Badshot Lea

Founded in 1904, Badshot Lea Football Club began life as a village side based in the Surrey village of Badshot Lea. Records indicate that the club was formed following a meeting at the local village hall and initially played only friendly matches before formally affiliating to the Surrey County Football Association in 1907. From its modest origins the club gradually progressed: local leagues, Sunday fixtures, and a deepening community link.

Early decades

In the years through to the mid-20th century, Badshot Lea competed in the local junior and intermediate leagues. The club's first major successes came in the Surrey Intermediate League, where it won Division One in consecutive seasons, 1936-37 and 1937-38. These were formative years: establishing the club's competitive credentials, building a local following, and creating the culture that still underpins the club today.

A period of consolidation

For many years the club remained within the intermediate and local leagues, rooted in its community. It wasn't until 1978 that Badshot Lea achieved promotion to the Surrey Intermediate League Western and then progressed through the divisions over the following years. In 1986 the club reached the Surrey Premier League but, despite a strong points-total, the side was relegated after just one season—a reminder of how fiercely competitive non-league football can be.

During this era the club also achieved cup success: the Challenge Cup in 1987-88, the Invitation Cup in 1989-90, the Division Two title in 1992-93, and a second Challenge Cup win in 2000-01. (Though the league hierarchy remained modest, these accomplishments reflected a healthy, ambitious club.

Stepping up into senior football

The big leap for Badshot Lea came in 2002-03—when the club moved into senior football by joining the Hellenic League Division One East. This move was not without turmoil: the Football Association initially attempted to block the transfer, but the club's committee and the Hellenic League persevered and secured approval.

In 2005-06 Badshot Lea won the Supplementary Cup in the Hellenic League, and the following season (2006-07) they finished third and were promoted to the Hellenic Premier Division. After one season at that level, they were transferred to the Premier Division of the Combined Counties League in 2008-09.

Welcome to Badshot Lea

Modern era: ground changes and promotion

At this point the club's long-absent ideal of a settled home began to crystallise. Until 2007 Badshot Lea played at the Badshot Lea Recreation Ground, but ground-grading rules forced them to leave. The following years saw a 'nomadic' existence: ground-shares with clubs such as Godalming Town FC, Ash United FC and Camberley Town FC.

In 2017-18 the club played at Camberley while their new ground was under construction at Westfield Lane in neighbouring Wrecclesham. In July 2019 Badshot Lea finally moved into their long-awaited home at Westfield Lane and hosted a friendly against Aldershot Town FC to mark the occasion.

On the pitch, the club continued to climb the non-league ladder. In the 2022-23 season Badshot Lea were runners-up in the Combined Counties Premier Division South and were promoted to the Isthmian League South Central Division as one of the highest-ranked runners-up across the Step 5 divisions.

Club ethos and community

Throughout its history Badshot Lea has remained a community-based club, grounded in the village ethos of Badshot Lea and the surrounding area. The expansion of youth teams and a colts' section in the late 1990s underpins its commitment to nurturing local talent. The move to Westfield Lane provided a stable base for the first team, but also a platform for broader club growth: youth, ladies & girls' sides, facilities and community engagement.

Looking ahead

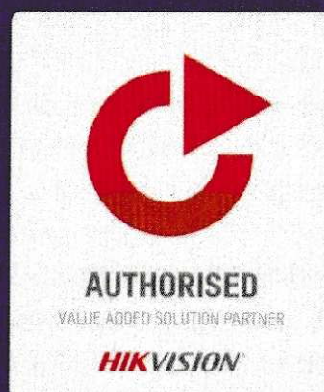

As Badshot Lea enters its 120th year (1904-2024) the club stands at an exciting juncture: settled at Westfield Lane, competing at higher levels of non-league football, and still valuing its grassroots roots. Whether it's cup runs, league promotion battles or the development of young players through the ranks, the club's ambition remains bright.

Supporters walking through the turnstiles today might reflect on how far the club has travelled—from village friendly matches more than a century ago to Step 4 league football, a modern home ground and big-match aspirations. But the spirit remains the same: local lads, local supporters, a shared goal of sporting excellence.

Round up from the Combined Counties League

I will begin my round up looking at the matches played in our division over the past ten days.

Looking back at last Saturday, it was a great pity that the anticipated 'top of the table' clash between Fleet Town and Cobham fell foul of the weather. It was no surprise having played on this pitch a week before that the Camberley home fixture was also called off. Anyway, back to matters on the pitch and those games that were played, Redhill continued their impressive recent form with a fine 4-1 victory over Alton even with their main striker having left the club that week; it never seems to amaze me the amount of player ins and outs at this time of the season and I do feel sorry for the management of these teams with the constant chopping and changing that goes on. Another notable victory was Abbey Rangers 2-0 win at Thatcham Town who still seem to be struggling at the wrong end of the table. The only two other victories were ourselves with our great win away at Sheerwater and Horley Town who are beginning to get some results with a good 3-1 victory away at Balham in front of 65 spectators. The other 3 matches in the division ended in draws, our opponents, Eversley & California last Tuesday evening were looking good for an away victory at Chipstead until they succumbed to a 97th minute equalizer from their hosts.

Bottom of the table Guildford City played their match away at Sutton Common Rovers (SCR) on Monday evening (Monday evenings are the normal days for SCR Home games due to their ground share agreement)) and went away with a point after a 0-0 draw. On Tuesday evening there were two games played with victories away from home for Knaphill and Horley Town who beat Tooting and Mitcham and Tadley Calleva respectively. The Knaphill result was particularly impressive beating Tooting 5-0 and one of our scouts who was at this game said that it was a mightily impressive performance. Horley Town's late win at Tadley Calleva came courtesy of two goals in the 85th and 88th minute, the winning goal from a former Salt in Will Kendall. Our former manager Warren Burton is now at Horley Town as number two, and this was a good result to begin his tenure there.

How does the league table look? Starting at the bottom, Guildford still occupy this spot on 6 points with Thatcham Town second from bottom on 14 points. Cobham remain top and will do in my opinion for some time with Knaphill, Redhill, Tooting and Mitcham and Abbey Rangers occupying the play off positions with a small difference of four points between all of them.

In my next Musings we will be reaching the halfway point of the season for many of the teams in our division so I will be looking at how they are all doing at this juncture in the season. Here's hoping that the weather will not disrupt the League programme over the next few weeks.

Match report v Eversley & California

Epsom & Ewell 1

Eversley & California 1

Combined Counties Premier Division South

Tuesday 11th November 2025

Scorer: Fofahan 43 pen

For the fifth time in recent weeks, we failed to close out a game we should have won comfortably. A 1-1 draw meant another two points dropped, and by our count that's seven points thrown away since early October after leading for most of those matches.

More changes were needed thanks to yet more suspensions and injuries—an issue we urgently need to get on top of if we want a settled, confident side. Ben Grummitt kept his place in goal with Faebian still injured. Connor McShane replaced the suspended Luis Oliveira, and Ethan Nelson-Roberts came in for Saturday's man of the match, Harry Murphy. In midfield, Ryley Merritt started for Brendan Murphy-McVey, while Jason Vincent returned in place of Obasanjo Akinniranye. It was a boost to see Ethan Brazier back on the bench after a long spell out.

The swirling wind and rain didn't help, reflected in the season's lowest crowd of 68. We adjusted well early on. Jason Bloor earned a free kick after driving through tackles, but McShane fired over. On 10 minutes, Niall Stillwell fell awkwardly and dislocated his shoulder, requiring an ambulance—he'll likely be out for months. Brendan came on far earlier than planned.

We dominated the half. Ali Fofahan shot over from a half-chance, and Vincent was denied brilliantly by Selby after meeting Bloor's cross. Several dangerous corners came to nothing. Kionte took on a long-range effort instead of finding Nelson-Roberts in space. Finally, on 42 minutes, Fofahan was brought down in the box and buried the penalty low into the corner. We were good value for the lead and should have been two or three up.

Despite worsening rain, we stayed in control after the break. Merritt saw a good effort saved by the keeper's feet, and more corners went begging. Obasanjo and Tom Collins came on and helped create openings, but still the vital second goal wouldn't come.

Eversley grew in belief, knowing one chance might be enough—and it was. Their first real attack won a corner, and from the second delivery Ross Baker scored directly. We threw everything forward, made further changes, and created a flurry of late chances, but all were off target. Eversley went down to ten men late on, but it was too little, too late. The match finished 1-1.

That's now eight games without a win, and we sit 17th, uncomfortably close to the relegation zone with others holding games in hand.

Match report v Sheerwater

Sheerwater 3

Epsom & Ewell 4

Combined Counties Premier Division South

Saturday 15th November

Scorers: Collins 8, 44, Murphy-McVey 63, O'Keefe 85

The Salts finally earned their first league away win of the season with a breathless 4–3 victory at Sheerwater—a match that veered from confident control to near collapse before a dramatic late payoff.

Managerial changes brought renewed energy: Sami Nabbad returned in goal, new signing Tyler Robinson led the line, and Shane Dunne and Brendan Murphy-McVey restored balance in midfield. The Salts looked sharper and far more purposeful than in recent away outings.

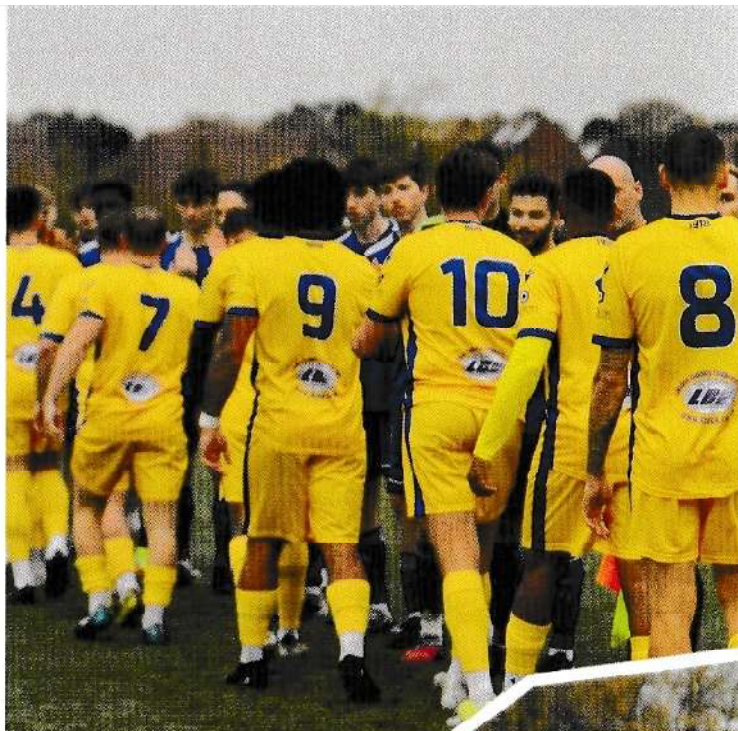

It took just six minutes to make their mark. Robinson fed Jason Bloor, whose shot was parried, leaving Tom Collins to nod in the rebound for an ideal start. Murphy-McVey pressed relentlessly and Robinson's work-rate kept Sheerwater pinned back, though the striker was booked on 26 minutes for a late challenge. Collins and Ali Fofahan each went close before Sheerwater finally showed signs of life on 34 minutes, Ajibola dragging wide when well placed.

Epsom deservedly doubled their lead on 40 minutes in a moment equal parts design and mystery. Robinson won a corner, Collins swung it goalward, and the ball flew straight in—possibly via Nazareth or Aiwone, possibly via the keeper. However it crossed, the 2–0 lead was merited. A scrambled defensive scare and a yellow for Connor McShane closed the half. Ethan Brazier was introduced at the break to protect against a second booking.

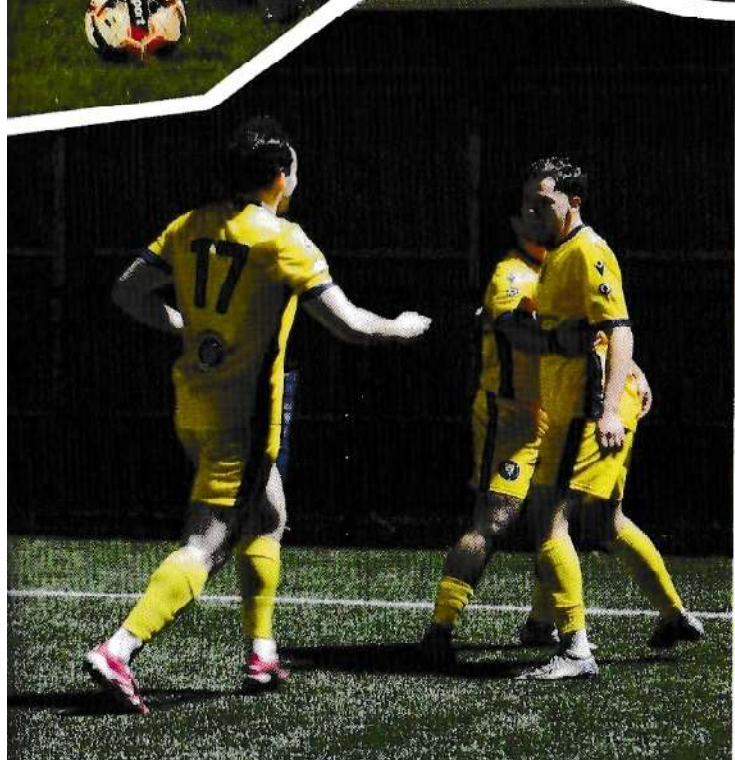

Then chaos arrived. On 50 minutes Nazareth conceded an unnecessary free-kick, and Sheerwater took full advantage: Elliott York's header made it 2–1. Three minutes later, Nazareth lost the ball during one of his trademark runs, and Harvey Valter punished the mistake to level. Two goals lost in moments. Tempers flared soon after when Collins was pulled back without reward, sparking a tussle with Larkin; both were booked once calm returned. Changes followed as Epsom tried to steady themselves.

Their response came on 65 minutes. Fofahan laid the ball off to Murphy-McVey, who launched a looping effort from 25 yards that sailed over the keeper to restore the lead. More subs on 78 minutes preceded another wobble: on 85 minutes George Mackie lobbed Nabbad after confusion between the centre-halves and the advancing keeper. At 3–3, Epsom's away woes loomed again. But two minutes later Andrew Herring's forward ball ricocheted kindly into the path of Callum O'Keefe, just onside. He rounded the keeper and finished coolly to seal a dramatic 4–3 win.

A pulsating contest, but a deserved first away victory—earned through early dominance, resilience under pressure, and late composure when it mattered most.
