From the Clubhouse

Good afternoon to you all and welcome to Fleet Town. A big welcome, and congratulations to Warren and Simon on securing a play-off place — good luck to you and the club.

We also say farewell to Caroline and Ian, who are departing Fleet at the end of the season. They have made a hugely positive contribution to both the club and the community, and have been very vocal in helping to shape the club's future, as well as contributing to wider league matters. I will miss them both — thank you and best wishes for your next venture.

We have contribution buckets around the entrance raising funds for Stuart Tree, who sadly passed away last week at the age of 46. The funds will be added to the GoFundMe page to support his partner Katja and their two-year-old son, Ethan. Stuart was a major figure at Corinthian-Casuals and his loss will be deeply felt.

Onto the football — Tuesday's game was a bit scrappy on an unforgiving pitch. "Win ugly when not playing well" springs to mind. It has been coming, and hopefully not too late to push on and improve on last season's position.

It is surprising how quickly the ground has gone from soaked to bone dry. We will water the pitch on Thursday and Friday to maintain a good playing surface, as Warren will understandably be mindful of injury risks.

In recent years, there has been much speculation and finger-pointing between clubs regarding various matters, and this season has been no different. I would like to thank Spencer for his diligence and strength in ensuring the club has stayed clear of those general accusations.

Enjoy the game!

From the Bench

We welcome you all to Chalky Lane for the visit of Fleet, for our final Saturday 3pm kick-off of the season.

Thank you to everyone who came out to support us on Tuesday against Alton. We hope you all had a lovely Easter break and are looking forward to getting back into the routine next week. Your support, as always, is hugely appreciated and was very much felt on Tuesday night. It gave us exactly what we needed to turn a good performance into a result, and we were delighted to secure the club's safety for this season.

In a nutshell, the boys delivered everything we asked of them — and more. We told them that, while it was an important game, they should go out, enjoy the performances they've been putting in, and the rewards would follow. That's exactly what they did, all pulling in the same direction.

It was a frustrating first half, as we were the better side but struggled to create clear-cut chances, aside from a late opportunity for Ali just before the break. In the second half, however, we looked a much stronger and more complete team. We were solid as a defensive unit and continued to test the Alton defence.

The breakthrough came when a free-kick, which initially looked unthreatening, turned into a goal after Callum Wilson's superb volley found the net — a bit of fortune that has often gone against us this season. From there, we continued to apply pressure, while also having to deal with spells from Alton. Importantly, when our moment came, we did what we haven't managed often enough this season — we killed the game off. Two quick goals from the outstanding Courtney Swaby sealed the result, and I think he may still be in the air somewhere after those backflips!

Once again, we as staff would like to thank all the players for their commitment and effort throughout the season, and especially in recent weeks. The fight and determination shown to secure our safety has been excellent. Credit also goes to the players and staff for remaining positive during what has been a very difficult period — it speaks volumes about the character and togetherness of the group.

We also welcome Fleet's players, staff and supporters today, and thank them for their hospitality in the reverse fixture. It promises to be another good game.

Welcome to Fleet Town

Fleet Town Football Club, established in 1890, is the oldest sports club in the town. The club celebrated its centenary in 1990 with a special Scroll from the Football Association and a commemorative plaque from the Hampshire FA.

In its early years, Fleet played at the bottom of the Views, later moving to Watsons Meadow on Fleet Road—where a young Clement Attlee, future UK Prime Minister, once played. In 1923, Lord Calthorpe granted the club use of its current home on Crookham Road, with the first match played there on 3rd March 1923. The ground was eventually handed to the local council with the condition it remain home to the town's football club.

Floodlights were installed in 1953, and in 1961 Fleet joined the Hampshire League. They progressed steadily and joined the Wessex League in 1989/90. After winning the league in 1995/96, they were promoted to the Southern League. Relegated in 1999/00, they bounced back under player/manager Steve Beeks to return to the Southern League.

In 2005, former England international Andy Sinton took charge. Fleet finished 5th in the Ryman League and reached the play-offs, losing in dramatic fashion to Tooting & Mitcham. The following seasons saw further cup success, including the 2009 Hampshire Senior Cup win at St Mary's Stadium and a total of four trophies that year. After Sinton's departure in 2010, Steve Mellor took over, but inconsistency followed. Fleet returned to the Southern League Division One Central in 2011/12 but finished 21st. A reprieve kept them at Step 4. In 2012, Steve Cantle became Chairman, and Fleet shifted leagues again, now in Division One South & West.

Despite challenging seasons, Fleet won the Aldershot and North Hants Senior Cups in 2017. In 2018/19, they were controversially moved to the Southern League South Division, which brought financial and logistical strain. Relegation followed in 2019/20, with Dave Kelly managing the team in the Wessex League before COVID-19 curtailed the season. Post-pandemic, Fleet focused on rebuilding. In 2021/22, they moved into the Combined Counties Premier Division South. In 2022/23, the club established itself as a "community club and latterly achieved FA 3 Star Accreditation," and Jermaine McGlashan was appointed manager. After securing Step 5 survival in April 2023, McGlashan departed, and Elliott Hunt took charge for the 2023/24 season.

Hunt's tenure ended early in the 2024/25 season, with Darryl Evans promoted to manager. He was joined by assistant Ben Murray, coaches Luke Barron and Charlie Clapham, and Head of Medical & Performance Gary Lewis. That season saw Fleet reach the play-off semi-final—losing to eventual winners Jersey Bulls—and achieve a record FA Vase run, reaching the last 16 before falling to eventual champions Whitstable Town.

During the 2025/26 season, manager Darryl Evans departed in December to be replaced by former Asst Warren Burton with, Simon Payne as Asst Manager, with the club aiming to build on it's upward momentum and long-standing community roots.

Interview with Niall Stillwell

SO what will you be doing on Sunday 12th April, perhaps, gardening, lying in bed, reading the newspapers – well our very own Niall Stillwell will not be doing any of those things; he will be running in the London Marathon – we caught up with Niall to see how his training is going and how he is recovering from the major injury he suffered in November.

Are you looking forward to the 12th April?

Yes, very much so, I do have a little trepidation about it, but I have completed two marathons elsewhere before, so I know a little of what to expect

Tell us a bit more about the injury?

Well, to be quite honest it was quite an innocuous challenge and when I went down, I did not think too much about it but very quickly I knew something was wrong and as the seconds ticked by, I thought the pain is getting more intense, so I knew it was a bad one. It just goes to show that you never know what might happen to you in a game of football. I was very pleased that Jodie (our physio) was there to help me in the initial stages as I lay on the dressing room floor and awaiting an ambulance to arrive. I knew within a couple of hours that I would be facing a long road back to fitness.

You must be feeling fitter now to embark on a challenge like the London Marathon?

Yes, I am but the training has been very difficult as I have not been able to swing my arm properly whilst running until a couple of weeks ago and then when I did the arm ached a lot and still does if I am truly honest

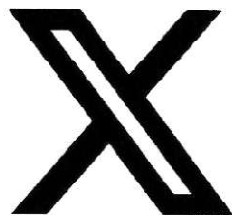

Training then been going well?

Yes, very pleased I am up to about 28km so over 20 miles which should more than enough, I have also learnt from the previous times I have run that distance a couple of tips for example do not stop running if you are feeling fatigued just run a bit slower and the main one is do not get carried away with runners passing you, just keep to your known pace and you will cross the finish line which is the ultimate aim

Thanks, Niall, for that insight and we look forward to seeing you in the Epsom & Ewell colours next season when you will be fit enough for some contact when playing and of course BEST OF LUCK from everyone involved at Epsom & Ewell

Mutton's Musings

In my last 'Musings', I reported on the issues around the relegation zone in our division. This has become much clearer after our 3-0 win against Alton FC on Tuesday evening, which ensured our safety and confirmed we will play in the same division next season.

This is not the case for Camberley Town and Eversley & California, who must rely on each other's results to determine who stays up today. Eversley are slightly in 'pole position' by virtue of having one more point than Camberley. The permutations from here can be a little 'tricky', with the only certainty being that if Eversley win, they will stay up. They could also remain in the division if they draw and Camberley do the same. The final point to note is that Camberley have a far superior goal difference than Eversley. Whatever happens, supporters of both clubs will be trying to find out how the other is doing minute by minute — good luck to both.

At the top end of the table, as previously reported, the four play-off places have been finalised. However, as I write, it has come to light that Tadley Calleva have been deducted a point for fielding an ineligible player in their recent match against Balham FC. I am not sure it will make much difference, as I would fully expect them to get at least a point at home to Sutton Common Rovers today, which would return them to second place and secure that important home tie in the semi-finals. It will be good for Epsom supporters to see two of the play-off contenders at close hand today and on Tuesday, although I very much doubt they will field their strongest sides with such important matches to come.

There was some very sad news over the weekend with the shock passing of Stuart Tree, the 'media man' at Corinthian Casuals, on Saturday morning at the age of 46, leaving a partner and very young child. The non-league football community has rallied around, with countless messages of condolence sent. For those not present at Tuesday evening's game against Alton, we held a respectful minute's silence in his memory, as did many other clubs over the weekend. A GoFundMe page has been set up, and at the time of writing, over £15,500 has been raised. Many of our own committee members who knew Stuart have already contributed — please consider doing the same if you are able, as it will be greatly appreciated.

I will review next Saturday's final round of fixtures in our division in the Tadley Calleva programme next Tuesday, along with a round-up of other leagues in our area.

Enjoy the game.

Combined Counties Premier Division South

Tuesday 7th April 2026

Scorers: Wilson 54, Swaby 89. 90+2

Epsom & Ewell secured their Step 5 status in style with a composed and disciplined performance, capped by a ruthless late surge to see off Alton.

There were two changes from the side that faced Sutton Common Rovers. Tom Collins returned in place of Jason Vincent, who dropped to the bench, while Ali Fofahan came into the starting line-up, as he would have done against SCR had travel issues not intervened.

The first half offered few clear-cut chances, although the Salts controlled much of the play and looked the more assured side in possession. Their best moments came through sustained pressure rather than individual openings. Alton's only real threat came just before the interval, forcing a scrambling clearance off the line and a save from Kit Fletcher. With neither side able to break the deadlock, the teams went in level at the break.

The second half firmly belonged to the hosts. Their intent was clear from the restart, and on 54 minutes the breakthrough arrived. Stefan Aiwone made a strong run through the middle of the Alton half, twisting and turning before being brought down just outside the area. Tom Collins' free kick was blocked by

the wall but fell kindly to Callum Wilson, who guided the ball home to give the Salts a deserved lead.

From there, the Salts managed the game with maturity, restricting Alton to half-chances while gradually increasing the pressure. The reward came late on as the game burst into life. Courtney Swaby struck on 89 minutes to double the lead, before adding a second moments later with a composed finish from a Kionte Gillfillian-Waul through ball to seal the result.

A clean sheet, three goals and — most importantly — the points that mathematically guarantee survival. The victory also lifts the Salts several places up the table, adding extra gloss to a night that felt like a turning point. A strong performance, a confident finish and a well-earned celebration for the home supporters.
