From the Boardroom

Welcome again to the Spectrum for this afternoon's visit of Epsom & Ewell. It does seem a long time now since we kicked off the season at Epsom on the unseasonally early date of 25 July. Today is time for the return match and we offer our usual warm welcome to Mel Tough and his committee, together with Epsom's players and supporters. For us the time between our meetings with Epsom & Ewell has been a traumatic period for our club. With a coach and players departing and causing some unrest within the camp. Results were affected although very strangely not necessarily performances. I lost count of the occasions when we had deserved reward from games but had not done so. There were numerous occasions when opposing supporters stated their surprise at our league position after a game. But now we are starting to see daylight. We have given everybody else in the division a big headstart, but we will be giving everything in our remaining matches to get out of the mess we have found ourselves in.

Our performance in the Cup match with Godalming Town on Wednesday was excellent. Right from the start we played some great football. Godalming are flying in their step six division with just one defeat all season. I rather think that they and their supporters took one look at the respective league tables before the game and thought that they would win at a canter. Underestimating your opponent is never a wise thing in any walk of life. But on the evening, we outplayed our local rivals. Some Godalming fans couldn't understand it and were very begrudging of praise for the winning side. Credit though to Godalming's manager Mo Sher who took the time to ring our manager the following morning to say what a good side we were, and to express surprise at our league position.

Let's try and rebuild our support that has dipped in recent months. If the last two matches are to go by there is good entertainment on offer. Please tell your friends.

Enjoy the Game.

From the Dugout

Good afternoon Sweeney

Well for the first time this season we have two wins to summarise as we look to our next challenge.

Challenge is the headline for our season so far. The amount of downs and defeats would have finished many teams in the past, but all credit to the players and you the supporters for riding the storms and tornados. We are not anywhere near out of the woods but we are fighting the fight, and we definitely prefer the feeling of winning matches again.

Chipstead came here last Saturday, I'm sure to collect an easy three points. So credit to the players for the way they came back after conceding an early goal with grit and determination. A quick equaliser from Kai Zini set the tone for the rest of the match. The Chipstead keeper made a double save soon after but the second of the saves was outside the penalty area. Soon after Kai scored his second and his third from the penalty spot made it more comfortable. Chipstead rallied

with their physicality towards the end before Kai seemed to have scored a fourth directly from a corner. But the ball was cleared to the edge of the box after a scramble and Tre slammed in our fourth and his first for the club.

On Wednesday night we had the big local derby with Godalming in the Southern Combination Cup quarter final. With Godalming top of their league with only one defeat the task ahead

was obvious. All credit to the players in a much-changed team. We played so well with the constant backing from the supporters. Two more goals from Kai and a first for JoJo and so an exciting time is ahead as the tide is slowly turning for us. But we still have a long way to go in terms of feeling we are ready to be confident about our future chances.

Thank you to you the supporters as ever.

Up the Sweeney!

Guildford City Boys & Girls FC:

Regular supporters will be aware that the Senior club are now part of the Boys & Girls club. As part of this we formally welcome Chris Adams (pictured) back to the club. Chris is the Chairman of Guildford City Boys & Girls FC but has been unable to be actively involved in the senior set up here until now due to his coaching position at Sheerwater. However, Chris has now left Sheerwater, and he will initially be involved in team management with Carl.

Player News: We are disappointed that Charlie Robertson has left the club and signed for Knaphill. On the plus side we welcome defender Callum Hope. Callum was near ever present at Raynes Park Vale and he has more recently played for Ashford Town (Middx). We also welcome Daniel Emmanuel back from a lengthy injury. Daniel was one of the stars of our pre-season but who sadly was injured on the eve of the season. Another new face at the club is forward Bamidele Esan who comes to us highly recommended by our former player Darnell Jon-Peter.

Southern Combination Cup Draw:

Following Wednesday's win against Godalming Town we are now drawn to play away at Camberley Town in the third round on a date yet to be decided.

A History of Godalming Town FC: To mark the 75th anniversary of the club author Jeff Brooks has written "A History of Godalming Town Football Club 1950-2025". The author has asked us to point out that the book has a chapter on the Godalming & Guildford incarnation 1992-2005 that might be of interest to City fans. The book which costs £10 is available from brooksjeff18@aol.com.

Abandoned Match Policy: If a match is abandoned for whatever cause, before the completion of the first half, spectators will be issued with a voucher to be used for free admission if the match is replayed. The match ticket given on entry should be retained for this purpose.

Top Premier South Goalscorers: 15 goals

– Derrick Hayford (Cobham), Luis Hamblin (Badshot Lea), **12 goals** – Ryan Marklew (Cobham), **11 goals** – Eli Simpson (Cobham), **10 goals** – Arlie Desanges (Horley Town), Carl Oblitey (Chipstead), Kieran Rodgers (Tadley Calleva) and Henry Paxford (Eversley & California), **9 goals** – Adam Poynter (Alton), Max Oldham (Tooting & Mitcham United) and Harvey Valter (Sheerwater).

We were founded in March 1918 as Epsom Juniors Cricket Club and played throughout the summer. A change of name in July 1922 to Epsom Town F.C. heralded the start of a very successful era. Senior football was granted as we were unanimously accepted into the Surrey Senior League for 1924/25, where we finished third. In September 1925, the club relocated to the old Ewell F.C. ground at West Street, which was purchased through the generosity of our future President Robert Bradshaw. In 1925/26 the Championship of the Surrey Senior League was attained, and the following season, we defeated Egham 1-0 at Egham in the League Charity Cup to complete a League and Cup "double".

In 1929 Redhill defeated us 3-2 in front of 4,600 at Guildford in our first Surrey Senior Cup Final, having seen off Wimbledon 4-1 in the semi-final! The thirties were a very successful era, and we won the Surrey Charity (Senior) Shield in 1933 with an impressive 5-0 win over Woking at Kingfield. However, the proudest moment of our pre-war history was an appearance in the First Round Proper of the FA Cup in 1933/34, when we lost 4-2 against Clapton Orient in front of a 9,485 crowd at the Lea Bridge Stadium. After the war, Epsom FC restarted, continuing in the London League and reclaimed West Street. In 1954 we reached the Surrey Senior Cup Final for the second time in our history, losing unluckily 2-0 to Corinthian Casuals in front of 6,159 at Selhurst Park.

In 1960 we changed our name once again to Epsom & Ewell F.C. But the sixties were full of poor results, and we were relegated in 1965. However, in 1973 we rejoined the Surrey Senior League. The new squad, including young striker Tommy Tuite, won the League Cup, and the following season, 1974/75 achieved a second Surrey Senior League "double". However, the season would always be remembered for reaching the Final of the inaugural FA Vase, where 9,500 saw

the Blues edged out 2-1 by Hoddesdon Town at Wembley Stadium. The Athenian League welcomed us back, and promotion was achieved in that first season. In 1976/77 we reached the Athenian League Cup Final, losing 1-0 at Chalfont St Peter. By then, we knew that we had been invited to join the expanding Isthmian League for 1977/78 and were placed in the new Division Two. In 1979/80 we won the Southern

Combination Cup 7-2 over Hampton on their pitch, where the opposition was

blitzed by five goals from Tuite. The

following season we finally won

the Surrey Senior Cup in 1981,

defeating Woking 2-1 at Tooting

& Mitcham, although we just

missed out on promotion. In

1983/84 we clinched a spot

in the Premier Division as

runners-up, although this time

we missed out in the Surrey

Senior Cup, defeated 4-0 by

Sutton United in the Final at Imber

Court. In 1993 a large chapter in our

history ended as we left West Street and

moved in as tenants of Banstead Athletic. In April

of 2010, we terminated our seventeen-year ground-

sharing agreement with Banstead Athletic and spent

two unspectacular seasons at Merstham F.C. before

relocating to Chipstead F.C. for the 2012/13 season,

where we would spend eight seasons. In 1981 we

defeated South Park 3-0 at Farnborough to win the

Combined Counties League Cup.

The 2020/21 season commenced with another ground move, this time to Leatherhead's Fetcham Grove ground.

2022/23 season saw us reach the

play-off semi-final where we beat Selsey on penalties.

In the final in front of almost 400 fans at Leatherhead

FC we won 2-1 against Wick. Back in the CCL at

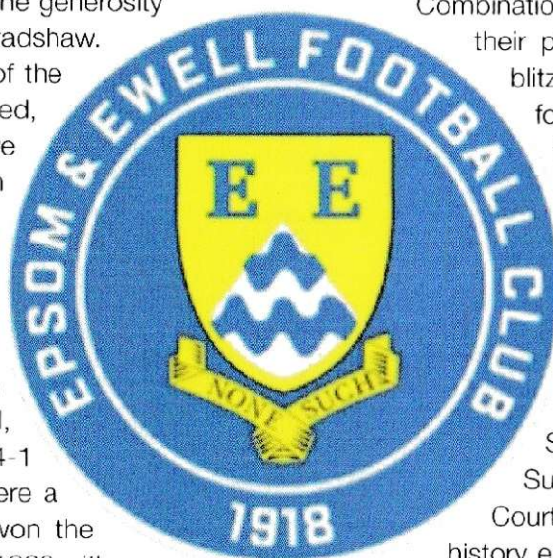

Step 5 for 2023/24 we started a new ground share

with Cobham FC, then for one year at Corinthian

Casuals, then for 2025/26 at Chessington & Hook.

Meanwhile, the search continues for a new ground

back in the Borough....

Match Review

by Barry Underwood

Guildford City (2) 4

vs

Chipstead (1) 1

There was a joint sigh of relief at full-time when Guildford finally claimed their first victory in 24 matches. It was a fully deserved win as well, although the loss of the Chipstead goalkeeper to a red card after only 15 minutes didn't harm City's cause. Daniel Fosu under hit a shooting chance early on and it was against the run of play when Chipstead took the lead through Tyrone Selormey who rounded the keeper to score with ease. Guildford weren't deterred and three minutes later the scores were again level. Daniel Fosu did well and the loose ball fell to **Kai Zini** who calmly slotted home. The same two players combined on 15 minutes in a move that culminated in the Chipstead keeper Mo Otuyo being shown a red card. Zini had chased a through ball giving Daniel Fosu a shooting chance which was saved by the diving Otuyo albeit just outside his penalty area. On 29 minutes City went ahead. Fosu had a shot blocked and the loose ball fell to **Kai Zini** who fired into the roof of the net. The visitors had a couple of long-range efforts that didn't threaten the goal, whilst Alex McLean's shot was blocked by stand-in goalkeeper Kamran Campbell onto the crossbar.

Guildford opened the second period brightly and should have scored through the otherwise impressive Callum Hope. A ball was played across the box after fine build up but Hope shot wide of the target. Five minutes into the half Guildford won a rare penalty. Naison O'Neill went down in a heap in the box and man of the moment Kai Zini stepped up to complete his hattrick. Just ten players or not Chipstead weren't content to just play the game out and they came strongly into the game. A corner zipped right through the six-yard box without a touch, and Marvin Wood saved well low down at his near post. In the late stages Chipstead fired a number of challenging crosses into the box that a bruised Drake, Woolliscroft and Wood dealt with well. Going forward Kai Zini made a good arcing run that led to him shooting wide, whilst Marvin Wood couldn't hold a cross, but Tre Woolliscroft cleared excellently off the line. If there were any nerves they were settled on 88 minutes. From a

City corner the ball ricocheted around the six-yard box before falling to **Tre Woolliscroft** who netted from 15 yards.

Team: Marvin Wood, Naison O'Neill (Josh Adjei 63), Callum Hope, Ben Drake, Alex McLean (Joel Oppong 83), Tre Woolliscroft, Tobi Falodi, Glenn Gabriel (Jojo Ampah 63), Daniel Fosu (Kallum Peart 72), Kai Zini, Luca Le Page (Ben Matthews 86).

Our last game of the season is currently scheduled for the second Saturday of March in 2026. Does this mean it will be the last Saturday and the last fixtures of the season for Combined Counties South Division for all teams? Is this because of the problems there were at the end of last season, when the end of season play-offs was delayed from April to the last week of May. Hopefully this season no matter what is to happen and whenever the actual end of the league season is planned to be, the positions for the play-offs and champions who will be promoted will be confirmed and the play-off matches can happen the following week, after the last games of the league season.

I presume the idea is to finish the season at the end of March or the first weekend in April, so they can make sure the play-off positions are confirmed and the play-off matches can happen in the following couple of weeks. This means they should be able to finish the play-offs at the end of April at the latest, with no repeat of last season when they were delayed. The play-off places being 2nd to 5th in the league, means that games at the end of the season can have more importance. Instead of being just the top team or just the top

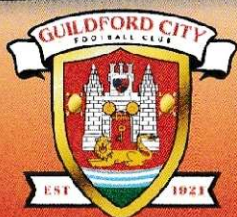

two in the division being promoted at the end of the season.

I have always wondered if the Combined Counties would ever do a champions match after the end of the season between the two league champions, the winner of the South Division and the winner of the North Division. Although this would only be for the chance to be overall champion of the Combined Counties League as both teams had won their respective league championships and had been promoted. Pictured by the way is the happy memory of City winning the CCL in 2012.

Enjoy the match.

Programme History

Guildford City had a number of FA Cup ventures into the competition proper. The season 1965-66 was one such occasion. Wycombe Wanderers were disposed of in the First Round proper after a replay leading to a second round tie at Loftus Road against Queens Park Rangers. Former City defender Jim Langley was playing for the host club. City keeper Peter Vasper played a blinder and earned the plaudits after the game, but two own goals contributed to QPR winning the tie 3-0 in front of an 8,353 crowd.

Match Review

By Barry Underwood

Guildford City (1) 3

vs

Godalming Town (0) 1

With probably their best performance of the season Guildford City beat off the challenge from neighbours Godalming Town to advance to the third round of the Southern Combination Cup. Right from the off City looked a rejuvenated side following their win at the weekend. Enjoying a lot of the ball Guildford's early efforts on goal were from long range that didn't especially threaten the visitor's goal. As the half developed Godalming themselves came more into the game without creating a significant chance on goal. The home side's passing though was impressive and on 38 minutes City took the lead. Josh Adjei's pace allowed him to win a ball in a threatening position. His pass to Kallum Peart saw the striker run into the box where he went down under a challenge for a penalty. Up stepped man of the moment Kai Zini to convert from the spot. Minutes later Zini nearly added a second when he dribbled deep into the box only to lose control with the goalkeeper advancing on him.

Guildford opened the second period in flying fashion with G's keeper Stephen Douglas called into action on numerous occasions. His best save was a flying effort from Kallum Peart's blockbuster. Kai Zini then forced a fine double save from Douglas to keep Godalming in the game. On the hour the visitor's introduced multiple substitutes off the bench in an effort to save the game. Godalming's main threat throughout came from excellent corners swinging in under the crossbar but credit to Marvin Wood and City's defence for dealing with this threat. It was no real surprise when City scored their second. Jojo Ampah unleashed a low shot from the right that deflected into

the far corner off a defender. A minute later it was three. Kai Zini burst through and shot past Douglas into the roof of the net. On 86 minutes Godalming had a glimpse of a recovery when City momentarily switched off allowing Cameron Edwin to run through and slide the ball past Wood. But Guildford weren't to be denied, and they advanced to the next round of the Combination Cup.

Team: Marvin Wood, Naison O'Neill (Alex Rodway-Brown 86), Tobi Falodi, Alex McLean, Alexander-William Nwadike, Ben Drake, Luca Le Page (Ogaga Edward 86), Joe Atkin, Kallum Peart (Joel Oppong 56), Kai Zini (Bamidele Esan 78), Josh Adjei (Jojo Ampah 60).
